STATEMENT OF PURPOSE: This resolution authorizes the city to collect a \$100 per team fee from all teams playing in adult softball leagues which are administered by the city's parks and recreation division in 2010. The proceeds will be used for capital improvements, maintenance, and repairs at the city-owned Wheeler Field Athletic Complex. This fee replaces the \$15 annual player's fee charged and collected by the Duluth Softball Players Association Inc., (DSPA) for that purpose. The DSPA player's fee structure equated to an average per team fee of \$180 based on past team participation averages.
