STATEMENT OF PURPOSE: This resolution authorizes the purchase of an aerial lift bucket truck (Model LRV55 aerial device installed on a 2011 International Model 4300 cab and chassis unit) for the fleet services division from Altec Industries, Inc., for a total of \$136,968.86.

This unit will replace Unit #3860. This truck is designed for use in a variety of construction, maintenance, and related applications (i.e, tree trimming and maintenance, changing stadium lights).

The purchasing division posted a request for bids on the city's website March 26, 2010. Altec Industries, Inc., was the lowest of two complete bids received by the April 19, 2010 closing date.
