STATEMENT OF PURPOSE: This resolution will authorize the purchase of a 2010 Vactor combination sewer machine with a positive displacement blower with options from MacQueen Equipment in the amount of \$352,585.29.

The purchase is based on Minnesota State Contract 442704, Release W-196(5). This new unit will replace unit 2774, which was purchased in 1998 for \$253,298. The unit is now 12 years old and the expense to date is \$185,902.50, approximately 74 percent of its original value.

This new unit will be used for maintaining the city's sewer system in accordance with the consent degree agreed upon by the city of Duluth, the environmental protection agency and the U.S. department of justice.

MacQueen Equipment, Inc., is located in St. Paul, Minnesota.
