STATEMENT OF PURPOSE: This resolution will authorize cured-in-place-pipe (CIPP) rehabilitation of sanitary sewers for Lift Station No. 16 sewershed by Insituform Technologies USA, Inc., in the amount of \$862,233.70 payable from the Clean Water Fund, 532, Department/Agency 500, Object, City Project No. 0903SN. Insituform Technologies USA, Inc., was the lowest of the five companies that responded. Although their bid was 3.5 percent higher than the engineer's estimate of \$832,395.00 we recommend award. Insituform has performed very well on the last three lining projects and lower prices are not expected if rebid.
