STATEMENT OF PURPOSE: This resolution authorizes the acceptance of a grant from the Minnesota department of natural resources through the Lake Superior coastal program in the amount of \$32,492 to fund the project: GPS survey and realignment of sanitary and stormwater structures in Duluth's GIS. This project entails the purchase of a high-accuracy GPS unit, and utilizing grant funds to hire temporary additional staff to assist city staff in the collection of approximately 14,500 GPS points, and the correction of Duluth's GIS system with collected points.
