STATEMENT OF PURPOSE: This resolution approves an agreement with the Salvation Army to administer an emergency energy assistance program using monies which the city has received during 2010 from the Ordean Foundation for such purpose. Under the program, the Salvation Army will pay utility bills during the 2010-2011 heating season for households that are eligible for assistance under its energy assistance crisis program guidelines. The payment in the amount of \$16,086 is made by the foundation to the city on an annual basis pursuant to an agreement with the housing authority made at the time it purchased the property on which its building is located. The 2010-2011 program guidelines remain the same as the 2009-2010 program.
