

COMMITTEE OF THE WHOLE

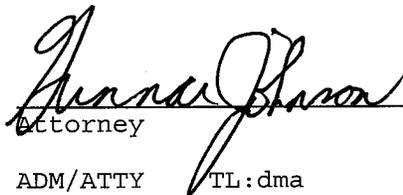

10-0594R

RESOLUTION REPEALING RESOLUTION 86-0426 CREATING THE  
VOTING ACCESSIBILITY ADVISORY COMMITTEE.

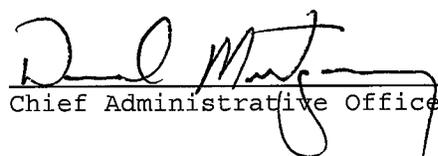

CITY PROPOSAL:

RESOLVED, that Resolution 86-0426, which created the voting accessibility  
advisory committee, is hereby repealed.

Approved as to form:

  
Attorney  
ADM/ATTY TL:dma 11/22/2010

Approved for presentation to council:

  
Chief Administrative Officer

STATEMENT OF PURPOSE: The voting accessibility advisory committee was created by council resolution in 1986 in response to the federal Voting Accessibility for the Elderly and Handicapped Act of 1984. The federal law required certain reporting requirements that expired in 1994. The law does not require the creation or existence of this committee. Additionally, the function of the voting accessibility advisory committee now falls within the province of the commission of disabilities.
