

COMMITTEE OF THE WHOLE

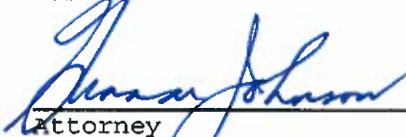

10-0630R

RESOLUTION REQUESTING A STUDY AND REPORT BY THE HISTORIC PRESERVATION COMMISSION ON THE APPROPRIATENESS OF DESIGNATING THE HISTORIC LOCATION OF THE INCLINE RAILWAY STAIRCASE AS AN HISTORIC PRESERVATION LANDMARK.

BY PRESIDENT ANDERSON AND COUNCILOR HARTMAN:

RESOLVED, that the historic preservation commission conduct a study and report on the appropriateness of designating the historic location of the incline railway staircase as an historic preservation landmark.

Approved as to form:

Attorney

CCREQ/ATPY MAL:dma 12/07/2010

STATEMENT OF PURPOSE: Portions of the staircase that were associated with the former incline railway system in Duluth remain intact and other portions of this former staircase now exist as a trail. This resolution asks the Historic Preservation Commission to conduct a study of these features and report on whether these features qualify to be designated as an historic preservation landmark.
