Gordon,

Sounds good but I think I will ask for the stop and the shelter be moved because I cannot figure out why we need 2 bus stops on 1 block. Also it would make for parking in front of the businesses which is needed.

Jay-

We are with you on this. A change is needed here. May need a resolution to make them move it?

Gordon, Dave;

Can you please review this e-mail and share it with the officer working on this bus stop. I would have to agree with this business owner in that why would we need 2 bus stops on 1 block and without her shop having off-street parking she is being unintentionally hurt with a bus stop in front of her business.

Dave, Gunnar; is there anything I can do as a Councilor such as having a Resolution written to remove this stop and shelter? or do we not have that authority?

Hi Gunnar,

I would like a Resolution to have the bus stop and shelter moved in front of 5705 Grand Ave. currently there are 2 bus stops on that block I think if we remove this one it would allow for needed parking on that block seeing as no businesses have parking lots for customers.

Sincerely,

Jay Fosle
