STATEMENT OF PURPOSE: This resolution authorizes the acceptance, from time to time, of unconditional gifts from individuals, civic groups, corporations and other public entities, to fund renovation of existing facilities and construction of new facilities at Enter Park.

Recent renovation and master plan projects at Enger Park are generating interest for the public to contribute monetarily and assist the City in its efforts to improve Enger Park. The City would like to accept the monetary gifts and it is expected that further donations are likely to be made during the years of 2011 and 2012.

City officials will reimburse the general fund for fund raising expenses.
