STATEMENT OF PURPOSE: This resolution authorizes the proper city officials to accept a grant in the amount of \$1,500 from the National Center for Civic Innovation to fund a customer satisfaction survey system. The National Center for Civic Innovation originally provided funding in the amount of \$5,000, approved by city council Resolution 09-0676, for the facilitation of focus groups across the city. The current funding is an extension of that project. There is no match to grant.
