STATEMENT OF PURPOSE: The purpose of this resolution is to obtain the City Council's approval of the Duluth 2011 Conditional Grant Agreement between DEDA and Duluth Minerals, LLC as is required pursuant to the business subsidy law, Minnesota Statute Section 116J.994 Subd. 3(d) and Paragraph 19 of the amended DEDA Enabling Legislation, Resolution 09-0324. DEDA approved the Agreement at its April 27, 2011 meeting.

In 2010, the partners in Duluth Minerals invested significant resources to build an equipment line designed to grind and dry limestone and other minerals for industrial users. The plant is located on land leased from Hallett Dock on the waterfront at 37<sup>th</sup> Avenue West. The primary goal for this assistance is the

construction of a 9,900 s.f. building enclosure and associated infrastructure to house the previously-installed equipment. In exchange for this assistance, Duluth Minerals has committed to the creation of 4 FTE construction jobs. It is anticipated that over 90 individuals will be working on the construction of this project. In addition to creating construction jobs and improving the industrial waterfront, this project will result in four additional shiploads of limestone being delivered to the Duluth harbor each year. Duluth Minerals will retain the 6 FTE positions already created in Duluth and add 4 more new FTEs due to the second shift made possible by enclosing the equipment. The estimated annual new property tax revenue to the City from this project is \$12,000. This Agreement commits Duluth Minerals to own and operate the building for a period of five years or be subject to repaying the conditional grant based on a sliding scale. This commitment is backed by a mortgage lien on the building.

**BUILDING IN DULUTH 2011  
CONDITIONAL GRANT AGREEMENT  
DULUTH MINERALS, LLC**

THIS CONDITIONAL GRANT AGREEMENT entered into this \_\_\_\_ day of \_\_\_\_\_, 2011, by and between the DULUTH ECONOMIC DEVELOPMENT AUTHORITY, an economic development authority created and existing under Minnesota Statutes (1989) Chapter 469, whose address is 402 City Hall, 411 West First Street, Duluth, MN 55802 (hereinafter referred to as "DEDA") and DULUTH MINERALS, LLC, a Minnesota limited liability company, whose address is 5753 Wayzata Boulevard, St. Louis Park, MN 55416 (hereinafter referred to as "Developer").

WHEREAS, Developer desires to construct a 9,900 square foot one-story steel building to enclose its mineral grinding plant and associated infrastructure consisting of permanent ladders, stairs, catwalks and other related building and fixture access features, storm water retention pond, and other site grading, and, in the process, create construction work for up to 91 people which equates to 4 full-time equivalent construction jobs in Minnesota and cause the creation of 4 permanent full-time equivalent jobs; and

WHEREAS, Developer has requested assistance from DEDA for costs related to the construction of its new building since without such assistance the construction at this time would not be economically viable; and

WHEREAS, Minnesota Statutes §469.176 was amended in 2010 to authorize cash balances in existing tax increment districts, such as Redevelopment TIF District No. 3, to be used to spur new construction or substantial rehabilitation of buildings if doing so will create or retain jobs in the state, including construction jobs and the construction begins before July 1, 2011; and

WHEREAS, Developer meets the criteria set forth in Minnesota Statutes §469.176 as well as the Building in Duluth 2011 Spending Plan for Tax Increment Financing Districts on file in the office of DEDA; and

WHEREAS, DEDA has further determined that the interests of the citizens of the City of Duluth and the well being and quality of life in the City of Duluth would be enhanced by nurturing and encouraging the construction of the building by Developer; and

WHEREAS, after careful analysis of the projected costs of the Project and of the financial resources available and economic feasibility to pay for the construction and other costs related to the Project described herein, Developer has represented to DEDA that:

- a. A "gap" exists between the cost to Developer of constructing the project and the funds presently available to or known to Developer to finance those costs at rates that would be economically feasible. Based on the best estimates currently available to Developer, the amount of said "gap" is up to \$180,000. In order to reduce this "gap", DEDA has committed to provide tax increment proceeds from TIF District No. 3;
- b. Without the assistance to be provided by DEDA hereunder, the cost of constructing the Project would not be economically feasible for Developer at this time;
- c. There are no available and affordable sources of other governmental programs or funds to meet the needs addressed under this Agreement known to Developer to fund the aforesaid "gap;"
- d. There is no private market financing known to Developer available at rates which would eliminate said "gap" on terms which are economically feasible;
- e. Without the tax increment assistance to be provided pursuant to this Agreement, the available resources would be inadequate and not economically feasible to commence construction of said Project and that therefore, but for the tax increment assistance to be provided for

hereunder, the Project would not have been commenced before July 1, 2011; and

WHEREAS, the public purpose of the tax increment assistance to be provided pursuant to this Agreement is the construction of a building which will: 1) create high quality jobs paying at least a living wage and providing health insurance and other benefits; 2) contribute to the economic diversity of the City by supporting the existing industry of manufacturing; 3) enhance the quality of life of City residents by utilizing in-fill areas rather than contributing to urban sprawl; and 4) increase the tax base.

NOW, THEREFORE, in consideration of the mutual covenants and conditions hereinafter contained, the parties hereto agree as follows:

The Executive Director's acceptance of Developer's plans, specifications and elevations shall not constitute a waiver of building code or ordinance or other developmental duties imposed in the future upon Developer by law. Developer expressly agrees to be solely responsible for all costs, including architectural fees connected with said plans, specifications and elevations and any revisions thereto.

B. Changes After Initial Approval

Any changes made to plans by Developer after initial approval of the Executive Director shall be submitted to the Executive Director for acceptance in the same manner provided for in Paragraph A above.

ARTICLE V

A. Construction

On or before June 30, 2011, Developer shall cause the commencement of construction of the Project in conformance with the plans approved pursuant to this Agreement. Said construction work shall be completed not later than December 31, 2011.

B. Developer to Bear All Costs

Except for payments by DEDA provided for herein, Developer specifically guarantees and agrees to bear all costs related to the construction of the Project and any modifications thereto.

C. Certificate of Completion

Promptly upon completion by Developer of construction of the Project, Developer shall submit to the Executive Director written evidence in a form satisfactory to the Executive Director of Project completion in accordance with this Agreement after which DEDA shall promptly furnish to Developer an appropriate certificate certifying completion of the Project ("Certificate of Completion"). No such Certificate shall be issued until all elements of the Project have been completed. Upon receipt, Developer agrees to file the Certificate of Completion in the Office of the St. Louis County Recorder and pay all costs associated therewith. Upon recordation, Developer shall immediately submit to DEDA an executed original of the Certificate of Completion showing the date and document numbers of record, or duly certified copies of the filed originals.

The Mortgage Lien shall be in force and effect during the term of this Agreement as set forth herein. DEDA may, in its sole discretion and through the written consent of the Executive Director, decide to subordinate the Mortgage Lien to liens of other parties.

Upon execution of this Agreement by all parties, Developer shall record this Agreement in the office of the St. Louis County Recorder and shall pay all costs associated therewith. ## ARTICLE IX

### Provision Against Liens, Assignments and Transfers

#### A. Provision Against Liens

Developer shall not permit or allow any mechanics' or materialmen's liens to be filed or established or to remain against the Building, the Property or the Project or any part thereof provided that if Developer shall first notify DEDA of its intention to do so and post such security as the Executive

Director reasonably deems necessary, Developer may, in good faith, contest any such mechanic's or other liens filed or established as long as DEDA does not deem its interest or rights in this Agreement to be subject to foreclosure by reason of such context; provided however, in the event a private lender also requests security with respect to such lien(s), DEDA agrees that it may be jointly protected with said lender by the same security, the amount of which shall be the greater of that security requested by the Lender or the Executive Director. Except for: 1) a primary mortgage relating solely to the financing of this Project given to private lenders, which may be given subsequent to the date of DEDA disbursement but shall not exceed 75% of the Project costs and to which DEDA, through its Executive Director, would subordinate the lien created by this Agreement; or 2) other liens or encumbrances excluding mechanics' liens or materialmen's liens (which are addressed above) allowed in advance writing by the Executive Director, Developer shall not create or permit any mortgage or encumbrance to be filed or established or to remain against the Building, the Property, or the Project or any part thereof.

B. Provision Against Assignments, Transfers or Change in Identity of Developer

The parties hereto acknowledge that DEDA is relying upon the qualifications and identity of Developer to construct, operate and maintain the Project, the Building and the Property. Therefore, except as may be approved in writing in advance by the Executive Director and except for the purposes of obtaining private financing as described in Paragraph A above, Developer represents and agrees for itself, its successors and assigns that it has not made or created, and will not make or create or suffer to be made or created, any total or partial sale, assignment, conveyance, trust, lien or power of attorney related to the Building or the Project, nor has it nor will it cause any default or termination or expiration

of the Lease Agreement, nor has it nor will it allow any change in the identity of the managing members or principals of Developer or their respective percentages of ownership or voting rights if such change would result in a change of control, and has not or will not otherwise transfer in any other way all or any portion of the Building, the Project, Developer, this Agreement or any other contract or agreement including the Lease Agreement entered into in connection with carrying out its obligations hereunder; and Developer will not make or create or suffer to be made any such transfer of Developer's rights hereunder. If any assignment of Developer's obligations under this Agreement is approved by the Executive Director, any such assignee shall explicitly assume the obligations of Developer under this Agreement and Developer remains principally liable for the performance of Developer's obligations under this Agreement.

C. Notice of Sale, Transfer or Change in Use

Developer agrees for itself and its successors and assigns that it will provide at least thirty (30) days' written notice to DEDA of any total or partial sale, assignment, trust, power of attorney, liens except those for the purposes of obtaining private financing as described in Paragraph A , or conveyances of the Building, the Property or the Project, or of any change in the identity of the managing members or principals of Developer or their respective percentages of ownership or voting rights if such change would result in a change of control of Developer, or of any change in use of the Building, the Project or the Property for Developer's mineral grinding plant.

ARTICLE X

Development Goals/Reporting Obligations

A. Business Subsidy Goal

DEDA finds that the public purpose of tax increment assistance to be provided pursuant to this Agreement is the construction of a building which will: 1) create high quality jobs paying at least a living wage and providing

health insurance and other benefits; 2) contribute to the economic diversity of the City by supporting the existing industry of manufacturing; 3) enhance the quality of life of City residents by utilizing in-fill areas rather than contributing to urban sprawl; and 4) increase the tax base.

Achievement of the Business Subsidy Goal in accordance with Minnesota Statutes §116J.994 shall be measured as follows: Developer agrees that on or before December 31, 2011, it shall have constructed the Building on the Property in accordance with this Agreement and shall have created 4 FTE construction jobs in the State as verified by Developer's construction contractor (the "Business Subsidy Goal").

B. Reporting Requirement

Developer shall provide to DEDA the information regarding the Business Subsidy Goal as set forth in Minnesota Statute §116J.994 subdivision 7. All such reports shall be signed on behalf of Developer by an officer of Developer with authority to bind Developer.

C. Special Event of Default if Business Subsidy Goals Not Met

Developer agrees that if the Business Subsidy Goal of Project construction is not met by December 31, 2011 as determined in the sole discretion of DEDA, Developer will repay all sums paid to Developer plus Interest compounded semiannually. Developer further agrees that if the Business Subsidy Goal of creating 4 FTE construction jobs in the State is not met or only met in part as determined in the sole discretion of DEDA, Developer agrees to repay all or a portion of the sums paid to Developer plus the Interest compounded semiannually. The amount to be repaid by Developer shall be determined by multiplying the sums paid to Developer by a fraction, the numerator of which is 4 minus the number of construction jobs created during the construction period and the denominator of which is 4.

D. Parent Corporation

There is no parent corporation of Developer.

E. Other Financial Assistance

There are no other subsidies or other forms of financial assistance being granted to Developer for the Project at this time.

F. Continued Operations Commitment

Developer agrees to own and operate the Building and the Project and to lease the Property and to continue its mineral grinding operations in the Building, and to not assign, convey, transfer, sell or change its identity in violation of Article IX for at least five (5) years after the filing of the Certificate of Completion as set forth in Paragraph D of Article V (the "Continued Operations Commitment").

G. Special Event of Default for Failure to Meet Continued Operations Commitment

In the event that Developer fails to meet the Continued Operations Commitment, then Developer shall repay amounts reimbursed to Developer, plus interest at a rate of 6% per annum, on a sliding five-year scale with 100% repayment for failure to meet the Continued Operations Covenant within 1 year of the filing of Certificate of Completion and with repayment for failure to meet the Continued Operations Covenant decreasing 10% on each anniversary date of the filing of the Certificate of Completion until the fifth anniversary date at which time repayment obligation shall cease. Notwithstanding the above, DEDA may consider waiving such default in the event any proposed new owner or transferee shall have the qualifications and financial capability, as determined by DEDA, necessary and adequate to fulfill the obligations undertaken in this Agreement by Developer. In the event that DEDA determines that a proposed new owner or transferee has the requisite qualifications and financial capability, DEDA will not unreasonably withhold, condition or delay its consent. Any proposed new owner or transferee shall, by an instrument in writing satisfactory to DEDA and in a form recordable in the St. Louis County Recorder's Office, for itself and its successors and

assigns, expressly assume all of the obligations of the Developer under the Agreement and agree to be subject to all the conditions and restrictions to which the Developer is subject. Upon recording of such instrument in the St. Louis County Recorder's Office, Developer's obligations under this Agreement shall terminate.

## ARTICLE XI

### Operating Covenants

Developer covenants and agrees that during the term of this Agreement, in its operations and use of the Property and the Project it shall:

A. Maintenance

At all times cause the Building, the Project and the Property to be maintained in a neat, orderly condition, to maintain and preserve and keep in good repair, working order and condition said Building, Project and Property and to perform all needed and proper repairs, renewals and replacements necessary to be made thereto.

B. Utilities

Preserve the existence and all of its licenses, permits and consents to the extent necessary and desirable to the operation of its business and affairs relating to the Building, the Project and the Property and to be qualified to do business in the State of Minnesota.

and requirements of any governmental authority related to the conduct of its business and the ownership of the Building and the Project and the leasing of the Property; provided that nothing herein contained shall require it to comply with, observe and conform to any such law or regulation or requirement so long as the validity thereof shall be contested in good faith through proper legal action provided that such protest shall in no way affect Developer's title to the Building and the Project and Developer's leasing of the Property.

E. Payment of Taxes

Promptly pay or cause to be paid all lawful taxes and governmental charges, including real estate taxes and assessments at any time levied upon or against it or the Building, the Project or the Property, subject to the right to contest in good faith in accordance with Minnesota law.

F. Assessment Fees and Charges

Pay or cause to be paid when due or payable all special assessments levied upon or with respect to the Building, the Project or the Property, or any part thereof, and to pay all fees, charges and rentals for utilities, service or extensions for the Building, the Project or the Property and all other charges lawfully made by any governmental body for public improvements.

G. Obligations and Claims

### Indemnification

#### A. Generally

Developer shall to the fullest extent permitted by law, protect, indemnify and save DEDA and its officers, agents, servants, employees and any person who controls DEDA within the meaning of Securities Act of 1933, harmless from and against all liabilities, losses, damages, costs, expenses, including attorneys' fees and expenses, causes of action, suits, claims including claims for contribution or indemnity, demands and judgments of any nature arising from:

1. Any injury to or death of any person or damage to property in or upon the Building, the Property or the Project, or growing out of or in connection with the use or non-use, condition or occupancy of the Building, the Property or the Project or any part thereof and also, without limitation, the construction of the Project or any portion of the Building or the Property. The foregoing indemnification shall not be limited in any way by any limitation on the amount or type of damage, compensation or benefits payable by or for Developer, customers, suppliers or affiliated organizations under any Workers' Compensation Act, Disability Benefit Acts or any other Employee Benefit Acts.
2. Any violation by Developer of any provision of this Agreement.
3. Any violation of any contract, agreement or restriction related to the Project which shall have existed at the commencement of the term of this Agreement or shall have been approved by Developer; or
4. Any violation of any law, ordinance, court order or regulation affecting the Building, the Property or the Project, or the ownership, occupancy or use thereof.

B. Environmental Indemnification

In addition to the generality of the above, Developer hereby agrees that for itself, its successors and assigns that it will indemnify and save DEDA and its officers, agents, servants and employees and any person who controls DEDA within the meaning of the Securities Act of 1933 harmless from and against all liabilities, losses, damages, costs, expenses, including reasonable attorneys' fees and expenses, causes of action, suits, claims including claims for contribution or indemnity, demands and judgments arising out of any condition existing in the Building or on the Property, whether pre-existing or after-created, which constitutes a violation of any environmental law or laws with regard to pollutants or hazardous or dangerous substances promulgated by the government of the United States or of the State of Minnesota or of any such duly promulgated rules and regulations of the United States Environmental Protection Agency or the Minnesota Pollution Control Agency or the presence in the Building or on the Property, or the release or threatened release of any element, compound, pollutant, contaminant, or toxic or hazardous substance, material or waste, or any mixture thereof, which otherwise causes injury or death to persons or damage to property, and that indemnification granted hereby shall include all costs of clean-up and remediation and response costs, together with the costs incurred in proceedings before a court of law or administrative agency including attorneys' fees, expenses, the fees and expenses of persons providing technical expertise addressing such problems including expert witnesses, the costs of preparing and securing approval of Response Action Plans as may be necessary to meet the requirements of the aforesaid agencies and any other costs and expenses of any kind whatsoever arising out of such conditions existing on the Property or in the Building.

C. Indemnification Procedures

Promptly after receipt by DEDA of notice of the commencement of any action with respect to which Developer is required to indemnify DEDA under this Article, DEDA shall notify Developer in writing of the commencement thereof, and, subject to the provisions as hereinafter stated, Developer shall assume the defense of such action, including the employment of legal counsel satisfactory to DEDA and the payment of expenses. In so far as such action shall relate to any alleged liability of DEDA with respect to which indemnity may be sought against Developer, DEDA shall have the right to employ separate counsel in any such action and to participate in the defense thereof, and the fees and expenses of such separate counsel shall be at the expense of Developer.

ARTICLE XIII

Insurance

Developer shall provide for purchase and maintenance of such insurance as will protect Developer and DEDA against risk of loss or damage to the Building, the Property and the Project and any other property permanently located or exclusively used at the Project site and against claims which may arise or result from the maintenance and use of the Building, the Property and Project, including operations conducted in connection with the construction of improvements on the Property. Such coverages shall include but shall not necessarily be limited to the following:

A. Permanent Insurance

Developer shall procure and continuously maintain, except as otherwise provided below, insurance covering all risks of injury to or death of persons or damage to property arising in any way out of or as a result of Developer's ownership of, occupancy of or use of the Building, the Property or the Project carried in the name of Developer, any tenant, and DEDA, as their respective interests may appear, as follows:

1. Property Insurance

The Building and Property, including all fixtures, equipment and machinery, shall be insured to the full replacement value thereof against all risk of Direct Physical Loss, except that such insurance may provide for a deductible amount not to exceed \$50,000 per occurrence. For the purposes hereof, "all risk" means insurance equivalent in scope to protect against all risks of direct physical loss ordinarily insured against in the region. Developer hereby waives any and all claims or causes of action against DEDA for damages caused by an insured peril hereunder, except such rights hereinafter set forth to an interest in the insurance proceeds payable in the event of such loss. In time of war in which the United States of America is a belligerent, Developer will procure and maintain continuously in effect such insurance as may be available from the United States of America to the extent of the full replacement value of the Building and the Property and insuring against loss thereof or damage thereto from the risks and hazards of war, provided that the cost of such insurance is economically reasonable.

2. Liability Insurance

Developer shall procure and maintain continuously in force Public Liability and Automobile Liability Insurance written on an "occurrence" basis under a Comprehensive General Liability Form with "Broad Form" property damage liability coverage, with XCU exclusion removed, in limits of not less than \$2,000,000 per occurrence for personal bodily injury and death, and limits of \$2,000,000 for property damage liability. If per person limits are specified, they shall be for not less than \$2,000,000 and be for the same coverages. Insurance shall cover:

- a. Public liability, including premises and operations coverage;

- b. Independent contractors--protective contingent liability;
- c. Personal injury;
- d. Owned, non-owned and hired vehicles;
- e. Contractual liability covering the indemnity obligations set forth herein;
- f. Products--completed operations.

3. Workers' Compensation

Workers' Compensation Coverage in statutory amounts with "all states" endorsement unless qualified as a self-insurer under Minnesota Law, and evidence of such qualification is furnished to DEDA.

B. Modification of Insurance Requirements

It is agreed between the parties that DEDA shall have the right to modify the forms of the insurance provided for in Paragraphs A and B above and the limits set forth with regard thereto provided that any such modification and policy forms or limits shall be of such a character and in such amounts as are reasonably necessary to provide DEDA with the types and amounts of protection provided for in this Agreement. In the event that DEDA shall desire to so modify said insurance requirements, DEDA shall notify Developer of the proposed modifications not less than sixty (60) days prior to the date set by DEDA for said modifications to go into effect. In the event that Developer believes said modifications to be unjustified under the standards set forth in this Paragraph, Developer shall promptly so notify DEDA and the parties hereto agree to meet as soon as practical thereafter and to negotiate in good faith the character and amounts of any said modifications meeting the standards hereinbefore set forth.

C. Requirements for All Insurance

All insurance required in this Article shall be taken out and maintained in responsible insurance companies organized under the laws of the United States and licensed to do business in Minnesota. DEDA shall be named

as an additional insured under the Public Liability and Automobile Liability Insurance required under Paragraphs A and B above. The use of an "ACORD" form as a certificate of insurance shall be accompanied by two forms: 1) ISO Additional Insured Endorsement (CG-2010 pre-2004) and 2) Notice of Cancellation Endorsement (IL 7002), or equivalent as approved by DEDA's attorney. Developer shall also provide evidence of statutory Minnesota Workers' Compensation Insurance. DEDA does not represent or guarantee that the types of limits or coverages provided above are adequate to protect Developer's interests or liabilities.

D. Certificates

Certificates showing that the above- described insurance is carried in the specified amounts shall be furnished to DEDA prior to the execution of this Agreement, and a certificate showing continued maintenance of such insurance shall be on file with DEDA during the term of this Agreement. The form of each certificate of insurance shall contain an unconditional requirement that the insurer notify DEDA without fail not less than 30 days prior to any cancellation, non-renewal or modification of the policy or coverages evidenced by said certificate and shall further provide that failure to give such notice to DEDA will render any such change or changes in said policy or coverages ineffective as against DEDA.

Developer Defaults and Remedies Therefore

A. General Defaults and Remedies

1. General Events of Default

In addition to the Special Events of Default set forth in Article X, the following shall be deemed to be general events of default by Developer under the terms and conditions of this Agreement to which the remedies set forth in Paragraph A(2) below shall be applicable.

- a. Developer shall fail to observe or perform any of the terms, conditions, covenants or agreements required to be observed or performed by it or any successor or assigns of Developer pursuant to this Agreement and such failure shall continue for a period of 30 calendar days after DEDA has, pursuant to the provisions of this Agreement, given written notice to Developer of such default or, in the event that such default shall be incapable of cure with reasonable diligence during said 30 day period, shall have failed to commence to cure said default within 30 days of the date of said notice and to diligently pursue the same to completion.
- b. Developer shall permit valid liens, not cured or contested within thirty 30 days, to be placed on the Building or the Property, or Developer loses title to the Building or the Property or both.
- c. Developer makes an assignment for the benefit of its creditors or admits in writing its inability to pay its debts as they become due; or an adjudication of bankruptcy or insolvency is made as to Developer or its business; or Developer files a petition of bankruptcy or files a petition seeking any reorganization, dissolution, liquidation, or rearrangement, composition, readjustment or similarly under any present or future bankruptcy or insolvency, statute, law or regulation; or Developer files an answer admitting to or not contesting to the material allegations of a petition filed against it in such proceeding or fails to have dismissed or vacated within sixty (60) days after its filing such a petition or seeks or consents or acquiesces in the appointment of any trustee, receiver or liquidator of a material part of Developer's properties or fails to have dismissed or vacated

within sixty (60) days after the appointment without the consent or acquiescence of Developer or any trustee, receiver or liquidator of any material part of Developer's properties.

- d. Developer fails to repay the sums set forth in Paragraphs C and G of Article X upon the occasion of a Special Event of Default.
- e. In the event the Building or any portion thereof is damaged or destroyed by fire or other casualty, Developer fails to complete repair, reconstruction and restoration of the Building to substantially the same scale and condition, quality and value as existed prior said damage or destruction.

2. General Remedies

DEDA shall have the following remedies in the event of a default:

- a. Cease any payment due from DEDA and withhold the performance of any obligation owed by DEDA under this Agreement.
- b. Terminate this Agreement.
- c. Seek and be entitled to repayment from the Developer of all sums paid by DEDA which repayment obligation shall, from the date of default, bear interest at the rate of 6% per annum.
- d. Seek and be entitled to injunctive or declaratory relief as is necessary to prevent violation of the terms and conditions of this Agreement or compel Developer's performance of its obligations hereunder.
- e. Enforce or foreclosure on the Mortgage Lien described herein.

f. Seek such other legal or equitable relief as a court of competent jurisdiction may determine is available to DEDA.

B. Non-Waiver

The waiver by DEDA of any default on the part of Developer or the failure of DEDA to declare default on the part of Developer of any of its obligations pursuant to this Agreement shall not be deemed to be a waiver of any subsequent event of default on the part of Developer of the same or of any other obligation of Developer hereunder. To be effective, any waiver of any default by Developer hereunder shall be in writing by DEDA.

C. Remedies Cumulative

Except as specifically set forth herein, the remedies provided under this Agreement shall be deemed to be cumulative and non-exclusive and the election of one remedy shall not be deemed to be the waiver of any other remedy with regard to any occasion of default hereunder.

D. Attorneys' Fees

In the event that Developer is in default of any of the terms and conditions of this Agreement and DEDA shall successfully take legal action to enforce said rights herein, in addition to the foregoing, DEDA shall be entitled to reimbursement for its reasonable attorneys' fees and costs and disbursements occasioned in enforcing its rights hereunder.

E. Notwithstanding the provisions of this Article XIV or any other provision in this Agreement, Developer may, at any time, immediately upon written notice to DEDA:

(i) terminate this Agreement prior to any reimbursement by DEDA to Developer; or

(ii) terminate this Agreement and immediately repay all sums paid by DEDA to Developer which repayment obligation shall, from the date of any default under this Agreement, or in the event there is no default, from the date of written notice of termination, bear interest at the rate of 6% per annum.
