## PLANNING AND ECONOMIC DEVELOPMENT COMMITTEE

11-0346R

RESOLUTION DENYING A REQUEST FOR A CONCURRENT USE OF  
STREETS PERMIT ON THE NORTHEAST CORNER OF GRAND AVENUE  
AND 58TH AVENUE WEST (DULUTH TRANSIT AUTHORITY).

### CITY PROPOSAL:

RESOLVED, that the city council makes the following findings:

(a) The city council finds that a petition for the concurrent use of streets was filed with the city by the Duluth Transit Authority for a bus stop zone and shelter at the northeast corner of Grand Avenue and 59th Avenue West; and

(b) Pursuant to Section 100 of the City Charter and Section 50-377 of the Duluth City Code, 1959, as amended, such petition was duly referred to the city planning commission; and

(c) Such commission gave due notice of public hearing and did consider same in public hearing (FN 11060); and

(d) The city planning commission found that the petition for the concurrent use of streets does not meet the standard to protect the health, safety and welfare of the city as the concurrent use will compel a potentially hazardous mid block crossing of pedestrians; and

(e) The planning commission, at its June 14, 2011, regular meeting, did recommend denial of the petition for the concurrent use of streets; and

(f) The city council of the city of Duluth denies the petition for the concurrent use of streets at the northeast corner of Grand Avenue and 58th Street

West as the proposed concurrent use of the streets does not protect the health, safety and welfare of the city as stated above in paragraph (b).
