RESOLUTION AUTHORIZING A SECOND AMENDMENT TO AGREEMENT
NO. 19606 WITH SUPERIOR HIKING TRAIL ASSOCIATION
CORRECTING PROPERTY DESCRIPTIONS.

CITY PROPOSAL:

RESOLVED, that the proper city officials are hereby authorized to enter into a second amendment to agreement No. 19606, a copy of which is on file in the office of the city clerk as Public Document No. _____, with the Superior Hiking Trail Association, correcting property descriptions to "as-built" conditions and incorporating MnDOT requirements for use of MnDOT ROW.

STATEMENT OF PURPOSE: The purpose of this resolution is to authorize the second amendment to the agreement between City and the Superior Hiking Trail Association, correcting the previously-approved maps to show "as-built" conditions.

The City originally entered into an agreement with the association for the construction and operation of the trail in 2004. At the time, the location of those portions of the trail to be constructed on City property and easements was generally known but final design had not been completed and therefore some adjustment was necessary to reflect the realities of the geography and topography. The trail has now been completed and the actual locations of the trail have been determined. The actual location is shown by the green line on the attached maps. Any deviations from the original proposed routing are labeled "old route".

While the deviations are not great, it is appropriate to modify the mapping attached to the permit agreement to formally approve these changes.

In addition, where the trail uses MnDOT right-of-way, it clarifies that the Association must abide by the conditions imposed by MnDOT for its use.

SECOND AMENDMENT TO
RECREATIONAL HIKING TRAIL PERMIT

This SECOND AMENDMENT TO PERMIT AGREEMENT is made as of _____, 2011 by and between the CITY OF DULUTH, a municipal corporation under the laws of the State of Minnesota, hereinafter referred to as "City", and Superior Hiking Trail Association, a Minnesota non-profit corporation, "Permittee".

RECITALS

WHEREAS, On May 14, 2004, the Permittee and City entered into an agreement bearing City Contract No. 19606, hereinafter referred to as the "Original Agreement", which Original Agreement was amended pursuant to an amendment, hereinafter referred to as the "First Amendment", authorized by City Resolution No. 06-0343, for the extension of the Superior Hiking Trail (the "Trail") across the City and on public easements controlled by City (the "Property"), which Original Agreement and First Amendment are hereinafter collectively referred to as the "Agreement"; and

WHEREAS, the Trail has now been constructed and it has been determined that in some locations the Trail, while still located on property owned or controlled by the City, is not located on the Property as described in the Agreement; and

WHEREAS, the parties are desirous of amending the Agreement to modify the description of the Property to coincide with the actual location of the Trail as constructed and to have the Permittee acknowledge its obligations pertaining to the use of State property for the Trail..

NOW, THEREFORE, in consideration of the mutual covenants and conditions hereinafter contained, the parties hereto hereby agree as follows:

1. That the Agreement is hereby amended by deleting from the Original Agreement the "Exhibit A" attached thereto and by deleting from the First Amendment the maps attached to the Exhibit A attached to the First Amendment as Exhibits A and B to said Exhibit to the First Amendment and by substituting therefore "Exhibit A-1" for all such documents, a copy of which is attached to this Second Amendment hereto and made a part hereof.

2. That All references to "Exhibit A" contained in the Agreement are hereby deleted and the reference to "Exhibit A-1" are hereby substituted therefore.

3. That to the extent that it is reasonably possible to do so, Permittee will perform all of the obligations of City pursuant to the "Limited Use Permit for Nonmotorized Recreational Trail, C.S. 6915 & 6982" attached to the First Amendment as Exhibit A thereto and to the extent that such obligations cannot be reasonably fulfilled by Permittee, Permittee will use its best efforts to assist the City in performing all such obligations.

4. That in all other respects the Agreement, together with all of its terms, covenants and conditions, is hereby confirmed in its entirety.

IN WITNESS WHEREOF, the undersigned have executed this Permit Agreement as of the day and year first above written.
