STATEMENT OF PURPOSE: This resolution approves an increase not to exceed \$24,475 in the city's proprietary contract with All Computer Services for consulting services in the mainframe operations and support and business licensing and rental housing, payable from the general fund.

The total contract amount is \$49,225. The original Purchase Order 11-0381 for \$24,750 was issued June 9, 2011, and covered services from June 13 through September 2. (The city council was not required to approve this purchase order). The increase of \$24,475 covers services from September 6 through November 30. The mainframe was to be shut down by September 2, 2011, but the conversion is taking longer than planned and is now estimated to be November 30, 2011.

All Computer Service is located in Duluth, Minnesota.
