STATEMENT OF PURPOSE: The south side of 4th Street between 7th Avenue East and Wallace Avenue currently has a "No Parking 2 am thru 6 am November 1st thru May 31st" restriction. Removing this restriction will benefit all residents who use on street parking in the East Hillside, Endion, and Congdon Park neighborhoods by allowing residents who live on 4th Street to park on 4th Street overnight. It will also make parking consistent from 7th Avenue East to Wallace Avenue. The parking commission reviewed and made this recommendation at its meeting on September 13, 2011. The city's street maintenance department has also indicated that snow removal will be able to be completed by posting the street with temporary No Parking signs as needed.
