STATEMENT OF PURPOSE: This resolution authorizes an increase of \$226,551.77 in the contract with Fluid Interiors, Inc., for purchase and installation of furniture for the new police headquarters building, payable from the capital improvements fund.

The total amounts payable on this contract are shown below:

Purchase Order	Authorized by	Amount
P.O. 11-0494 issued October 4, 2011	11-0460R passed September 26, 2011	\$220,720.12
Increase pending	11-0603R pending November 14, 2011	\$226,551.77
Total		\$447,271.89

The increased amount is due to the fact that many items were not known at the time of the bid. The original bids were set up to help select the vendor with the best per unit price and to utilize their design services in helping the city better define what was needed.

The purchasing division posted the original invitation to bid July 12, 2011, and received seven bids by the August 9, 2011, closing date. The city's consultant LHB, Inc., and an internal team of experts reviewed and evaluated each bid for completeness and adherence to specifications. They determined that Fluid Interiors, LLC, provided the most complete bid for the lowest cost in the category of private office and systems furniture.
