STATEMENT OF PURPOSE: This resolution authorizes a contract with Enventis Telecom, Inc., for the purchase and delivery of data equipment racks and related equipment for the city's backup data center for a total of \$57,060.48, payable from the capital improvements fund.

This purchase is for racks to house all network equipment within the city's backup data center. Rack mounted power distribution units (PDUs) are required to provide power to each piece of network gear. Included are uninterruptible power supplies (UPS) to provide battery supplied conditioned power to all data center equipment and switch closets in the event of a power failure.

The purchasing division posted the original request for bids October 24, 2011,

on the city's website and received three bids by the November 8, 2011, closing date. Enventis Telecom, Inc., headquartered in Plymouth with an outlet in Duluth, had the lowest bid. They provide voice and data telecommunications and related services throughout Minnesota and elsewhere.
