STATEMENT OF PURPOSE: This grant application in the amount of \$1,160,000 represents 80 percent of the estimated costs associated with the intermodal improvements and rehabilitation of Skyline Parkway from Kenwood Avenue to 19th Avenue East. If awarded the grant, additional discussions regarding final design will be held with the community. However, for the purposes of the application, costs have been included to improve pedestrian and cyclist facilities as recommended in the Skyline Parkway Corridor Management Plan. Currently the city's match for this project is not in the 2012 budget. If the grant is received, funding for the city's share would need to be secured.
