STATEMENT OF PURPOSE: The Butternut Avenue cul-de-sac has a radius of 112 feet and was designed to have parking allowed. The fire department has reviewed this and has acknowledged that this is wide enough to allow parking. A petition has been signed by all abutting residents requesting that the no parking restriction be lifted. This request has been reviewed by the city of Duluth engineering division and is recommended for approval. Street Maintenance is opposed to the change for snow removal reasons.
