STATEMENT OF PURPOSE: ZMC Hotels has relocated its corporate office to 2305 West Superior Street. This has caused an increase in the demand for on-street parking in the vicinity of 23rd Avenue West. This resolution will allow parking on both sides of 23rd Avenue West during the day, but on only one side at night. 23rd Avenue West is 38 feet wide, which is wide enough to have two lanes of parking and two 11-foot driving lanes. This request has been reviewed by the city parking commission and the engineering division and is recommended for approval. Street Maintenance is opposed to this change for snow removal reasons.
