STATEMENT OF PURPOSE: This resolution authorizes quarterly payments to St. Louis County for shared access to Shield maintenance access and other related Record Management Service (RMS) services associated with NEMESIS (Northeastern Minnesota Enforcement Safety Information System) for a total annual amount of \$109,407.40

payable from the general fund.

NEMESIS is designed to provide shared integrated resources for regional public safety agencies to track information, incidents, and cases throughout the criminal justice system. It connects local and statewide criminal and court systems to strengthen public safety in Minnesota.
