STATEMENT OF PURPOSE: This resolution will authorize sliplining a 2" HDPE low pressure sanitary sewer in Columbia Street by Superior Construction Co., Inc. In the amount of \$38,473, payable from Sanitary Sewer Fund 530, Department 500 (Public Works & Utilities), Division 1905 (Capital Improvements), Object 5535 (New Capital Improvements), city project no. 1001SN, requisition no. 12-0136. Of these costs \$30,000 will be assessed to the benefitting properties. Superior Construction Co., Inc. was the lowest bidder of the four companies that responded. Although their bid was 75 per cent higher than the engineer's estimate of \$22,000 we recommend award. Lower prices are not expected if this

project is rebid, and the new sewer will replace an existing shared private sanitary sewer that is a major source of infiltration and inflow.

TABULATION OF BIDS RECEIVED MARCH 21, 2012

Superior Construction Co., Inc.	Duluth, MN	\$38,473.00
