STATEMENT OF PURPOSE: This resolution authorizes a proprietary contract with Enventis Telecom, Inc., for software and hardware maintenance of the CISCO SmartNet system for \$40,469.67, payable from the general fund.

This provides for the CISCO network equipment maintenance necessary to operate the city's voice and data network. This maintenance provides updates and support to the city phone and voicemail software as well as equipment from many departments for network connectivity. This maintenance will be purchased and managed through Enventis as they provide support to all the remaining CISCO network infrastructure not included under this purchase.

Enventis is a wholly-owned subsidiary of HickoryTech Corporation, a diversified communications company headquartered in Mankato, Minnesota. Enventis has an office in Duluth.
