RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF A
\$600,175 GENERAL OBLIGATION SEWER UTILITY REVENUE NOTE,
SERIES 2012A, AND PROVIDING FOR ITS PAYMENT.

CITY PROPOSAL:

BE IT RESOLVED, by the city council of the city of Duluth, Minnesota (the "City"), as follows:

Section 1. Note Purpose and Authorization.

1.01 Under and pursuant to the provisions of Section 55 of the City Charter, Minnesota Statutes, Section 444.075 and Chapter 475, and other pertinent provisions of said Charter and statutes, the City is authorized to issue its general obligation bonds or notes to provide funds for the payment of costs of improvements to the municipal sewer utility, which bonds or notes shall be a specific lien upon the sewer utility and are payable primarily from net revenues to be derived from the operation of the municipal sewer utility and pledged for their payment. The City has applied for and received a commitment from the Minnesota Public Facilities Authority (the "PFA") for a loan for the Project, as hereinafter defined.

1.02 The city council has, by Ordinance No. 10167 adopted July 16, 2012 (the "Ordinance"), ordered the issuance, sale and delivery of a general obligation sewer utility revenue note in the maximum amount of \$1,000,000 of the City for the following project: CIPP lining rehabilitation of sanitary sewers for Sewer Basin No. 24 (the "Project") as identified in the City's application to the PFA, and for the payment of part of the interest cost of the bond or note.

1.03 The City has applied for and received a grant from the State of Minnesota's Wastewater Infrastructure Fund in the amount of \$2,400,699 to pay a portion of the costs of the Project. The general obligation sewer utility revenue note to be issued under the Ordinance for the Project shall be issued in the principal amount of \$600,175 (the "Note") to pay the portion of the costs of the Project, not paid by such grant funds.

1.04 The council hereby determines that the Project is a project for the

purpose of designing, constructing, repairing or replacing structures or facilities, including sanitary sewage overflow storage and for the purpose of attaining compliance with federal or state inflow and infiltration standards, within the meaning of City Code Section 43-11.1(7), and thus the costs of the Project and debt service of the Note which paid costs of the Project are eligible costs to be paid from the Clean Water Fund created under City Code Section 43-11.1 (the "Clean Water Fund").

1.05 The City hereby authorizes the issuance and sale of the Note, in substantially the form on file in the office of the clerk as Public Document No. _____, for the Project to the PFA pursuant to a Minnesota Public Facilities Authority Bond Purchase and Project Loan Agreement dated August 10, 2012, between the PFA and the City, in substantially the form presented to the Council and on file in the office of the clerk (the "Loan Agreement"), as Public Document No. _____ which is hereby authorized, ratified and approved.

Section 2. Execution and Delivery of Note and Loan Agreement.

2.01 The Note to be issued hereunder shall be dated as of the date of delivery to PFA, shall be issued in the principal amount of \$600,175, in fully registered form and lettered and numbered R-1. Interest on the Note shall be at the rate of 1.00% per annum. Principal and interest payments shall be made in the respective years and amounts set forth on Exhibit A to the Note, subject to adjustment as provided in the Loan Agreement. If the principal and interest payments are paid by check and mailed to the registered holder of the Note, such payment shall be mailed by the City at least five business days prior to the payment date.

2.02 The Note shall be prepared for execution in accordance with the approved form and shall be signed by the manual signature of the Mayor and attested by the manual signature of the Clerk. In case any officer whose signature shall appear on the Note shall cease to be an officer before delivery of the Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All

actions of the officers of the City regarding the Loan Agreement, including but not limited to, the officers of the City executing the Loan Agreement, are ratified, confirmed and approved as of the date of the Loan Agreement.

2.03. The City will cause to be kept at its offices a register in which, subject to such reasonable regulations as the City may prescribe, the City shall provide for the registration of transfers of ownership of the Note. The Note shall be initially registered in the name of the PFA and shall be transferable upon the register by the PFA in person or by its agent duly authorized in writing, upon surrender of the Note, together with a written instrument of transfer satisfactory to the Clerk, duly executed by the PFA or its duly authorized agent.

2.04. Delivery of the Note shall be made at a place mutually satisfactory to the City and the PFA. The Note shall be furnished by the City without cost to the PFA. The Note, when prepared in accordance with this Resolution and executed, shall be delivered to the PFA by and under the direction of the Treasurer. Disbursement of the proceeds of the Note shall be made pursuant to the Loan Agreement.

2.05. In the event of an inconsistency between a provision of this Resolution and a provision of the Loan Agreement, the provision of the Loan Agreement shall govern.

Section 3. Revenues, Accounts and Covenants.

3.01 The city council covenants and agrees with the PFA and with its taxpayers that it will impose and collect just and equitable charges for all use and for the availability of all facilities of the municipal sewer utility at the times and in the amounts required to pay the normal, reasonable and current expenses of operating and maintaining such facilities, and also to produce net revenues at least adequate at all times to pay the principal and interest due on the Note and on all other bonds and notes heretofore or hereafter issued and made payable from said net revenues, and will operate the utility and segregate and account for the revenues thereof as provided in this section.

The City will place all such charges, when collected, and all money received from the sale of any facilities or equipment of the municipal sewer utility in a separate Sewer Utility Operating Account within the Public Utility Sewer Fund maintained under Section 54 of the City Charter. Except as provided in this section, this account shall be used only to pay claims duly approved and allowed for payment of expenses which, under generally accepted accounting principles, constitute normal, reasonable and current expenses of operating and maintaining the municipal sewer utility, and to maintain such reasonable reserves for such expenses as the proper City official shall determine to be necessary from time to time in accordance with policies established by the city council. Sums from time to time on hand in this account, in excess of sums required to make such payments and maintain such reserves, constitute the net revenues which are herein pledged and appropriated first to pay the principal of and interest on all sewer utility bonds or notes when due.

3.02 The City hereby creates a separate construction account (the "2012A Construction Account") within the Public Utility Sewer Fund to which there shall be credited the proceeds of the Note as received, together with investment income thereon, all grant funds for the Project and any additional funds which may be available and are appropriated for improvements to the Project. This account shall be used only to pay expenses duly approved and allowed which, under generally accepted accounting principles, constitute capital expenditures for the completion of the Project and costs of the issuance of the Note.

3.03 Until the Note issued hereunder is fully paid or duly called for redemption, or otherwise discharged, the City will also maintain a separate debt service account (the "Sewer Debt Service Fund") in the Public Utility Sewer Fund to be used solely for the payment of the principal and interest, as such principal and interest become due and payable, on the Note and on any other bonds or notes which have been or may be issued and made payable from said net revenues of the sewer utility. The council further authorizes the use of monies on deposit in the Clean Water Fund to pay the principal of and interest on the Note.

All investment income on funds in the Sewer Debt Service Fund are pledged to payment of the Note and other bonds and notes payable from the Sewer Debt Service Fund. The treasurer shall transfer from the Sewer Utility Operating Account and the Clean Water Fund to the Sewer Debt Service Fund amounts of the net revenues and monies from the Clean Water Fund sufficient for the payment of all interest and principal then due on the Note. Such transfers shall be made at the times and in the amounts determined by the treasurer, in accordance with policies established by resolutions of the city council.

3.04 Surplus utility revenues from time to time received in the Sewer Utility Operating Account, in excess of payments due from and reserves required to be maintained in the Sewer Utility Operating Account and in the Sewer Debt Service Fund, may be used for necessary capital expenditures for the improvement of the municipal sewer utility, for the prepayment and redemption of bonds or notes constituting a lien on the municipal sewer utility, and for any other proper municipal purpose consistent with policies established by resolutions of the city council.

3.05 A. In the event the monies and payments appropriated to the Sewer Debt Service Fund are insufficient to pay principal of and interest on the Note and the other bonds and notes payable from such fund as the same become due, the City is required by law and by contract with the holders of the Note and such bonds and notes and hereby obligates itself to levy and cause to be extended, assessed and collected any additional taxes found necessary for full payment of the principal of and interest on the Note.

B. The full faith and credit and taxing powers of the City are irrevocably pledged for the prompt and full payment of the principal of and interest on the Note, as such principal and interest respectively become due. However, the net revenues of the sewer utility appropriated to the Sewer Debt Service Fund are estimated to be not less than five percent in excess of the principal of and interest on the Note and the other bonds and notes payable from such fund, and accordingly, no tax is levied at this time.

3.06 Monies on deposit in the 2012A Construction Account and the Sewer Debt Service Fund may, at the discretion of the City, be invested in securities permitted by Minnesota Statutes, Chapter 118A; provided, that any such investments shall mature at such times and in such amounts as will permit payment of the Project costs and/or the principal and interest on the Note and bonds or notes payable from the Sewer Debt Service Fund when due, as applicable.

Section 4. Tax Covenants; Miscellaneous.

4.01 The city council covenants and agrees with the holders of the Note that the City will (i) take all action on its part necessary to cause the interest on the Note to be exempt from federal income taxes including, without limitation, restricting, to the extent necessary, the yield on investments made with the proceeds of the Note and investment earnings thereon, making required payments to the federal government, if any, and maintaining books and records in a specified manner, where appropriate, and (ii) refrain from taking any action which would cause interest on the Note to be subject to federal income taxes, including, without limitation, refraining from spending the proceeds of the Note and investment earnings thereon on certain specified purposes.

4.02 A. No portion of the proceeds of the Note shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (i) for a reasonable temporary period until such proceeds are needed for the purpose for which the Note was issued, and (ii) in addition to the above, in an amount not greater than the lesser of five percent of the proceeds of the Note or \$100,000. To this effect, any proceeds of the Note and any sums from time to time held in the Sewer Debt Service Fund (or any other City account which will be used to pay principal and interest to become due on the Note) in excess of amounts which under the applicable federal arbitrage regulations may be invested without regard as to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by the arbitrage regulations on such investments after taking into account any applicable temporary periods or minor

portion made available under the federal arbitrage regulations.

B. In addition, the proceeds of the Note and money in the Sewer Debt Service Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Note to be federally guaranteed within the meaning of Section 149(b) of the Internal Revenue Code of 1996, as amended (the "Code").

C. The City hereby covenants not to use the proceeds of the Note, or to cause or permit them to be used, in such a manner as to cause the Note to be a "private activity bond" within the meaning of Sections 103 and 141 through 150 of the Code.

4.03 If the City determines that the Note does not qualify for exemption from the federal arbitrage rebate requirements under Section 148(f) of the Code, the City agrees to cause the calculations and payments to the United States to be made pursuant to Section 148 of the Code and Treasury Regulations relating thereto.

Section 5. Certificate of Proceedings.

5.01 The clerk is directed to file with the county auditor a certified copy of this resolution and such other information as the county auditor may require, and to obtain from the county auditor a certificate stating that the Note herein authorized has been duly entered on his register.

5.02 The officers of the City are authorized and directed to prepare and furnish to the Purchaser and to bond counsel certified copies of all proceedings and records of the City relating to the authorization and issuance of the Note and other affidavits and certificates as may reasonably be requested to show the facts relating to the legality and marketability of the Note as such facts appear from the official books and records of the officers' custody or otherwise known

to them. All of such certified copies, certificates and affidavits, including any heretofore furnished, constitute representations of the City as to the correctness of facts recited therein and the actions stated therein to have been taken.

THIS BOND PURCHASE AND PROJECT LOAN AGREEMENT (the "Agreement"), is made August 10, 2012 between the Minnesota Public Facilities Authority (the "Authority") and the City of Duluth (the "Borrower").

ARTICLE I - TERMS AND CONDITIONS

Section 1.1. Terms. The Authority hereby commits, subject to the availability of funds and the conditions hereinafter set forth, and pursuant to Minnesota Statutes, Section 446A.07 as amended, and Minnesota Rules Chapter 7380, as amended, to provide **THREE MILLION EIGHT HUNDRED SEVENTY FOUR DOLLARS (\$3,000,874)** to the Borrower for the purpose of financing eligible project costs from the Clean Water Revolving Fund with Wastewater Infrastructure Funds for the project described as follows: sewer system rehabilitation Phase 2 using cured-in-place pipe (CIPP) technology in the Basin 24 area all as detailed in the Minnesota Pollution Control Agency project certification dated May 1, 2012 (the "Project"). The Project is further described in the Borrower's application which is incorporated herein.

The Project financing consists of:

- i. **Loan:** A loan from the Clean Water Revolving Fund in the amount of **SIX HUNDRED THOUSAND ONE HUNDRED SEVENTY FIVE DOLLARS (\$600,175)** (the "Loan") which shall be evidenced by the Note described in Section 1.3 of this Agreement (the "Note"). The final maturity date of the Loan will be August 20, 2022. The aggregate principal amount of the Loan disbursed and outstanding will bear interest and servicing fees collectively at the rate of 1.00% per annum accruing from and after the date of the Note described in Section 1.3 through the date on which no principal of the Loan remains unpaid and all accrued interest and servicing fees thereon have been paid.
- ii. **WIF Grant:** A Wastewater Infrastructure Fund grant in the amount of **TWO MILLION FOUR HUNDRED THOUSAND SIX HUNDRED NINETY NINE DOLLARS (\$2,400,699)** (the "WIF Grant") granted under the provisions of Minnesota Statutes, Section 446A.072, as amended, which is not required to be repaid except as otherwise provided in Section 2.4, Article VI and Article VIII of this Agreement.

Section 1.2. Authority Sources of Funds. The Borrower acknowledges that the Loan provided by the Authority may be funded with the proceeds of one or more series of the Authority's revenue bonds (the "Bonds"), federal capitalization grants, proceeds of state general obligation bonds or other funds of the Authority, or a combination thereof, and that the Authority may, at any time, pledge the Loan as security for its Bonds. The Authority in its sole discretion may allocate the Loan to one or more such sources of funds and may from time to time reallocate the Loan to one or more different sources of funds, including one or more different series of Bonds (whether or not such series of Bonds refunded the series of Bonds to which the Loan was originally allocated), or may sell the Loan if permitted by the documents relating to its Bonds.

At the written request of the Borrower, the Authority will provide information with respect to the funding of the Loan, from time to time, in such detail as may be reasonably required for the purpose of assisting the Borrower in complying with any provision of Article III of this Agreement.

Section 1.3. Security. (a) The Borrower shall issue to the Authority its General Obligation Revenue Note (the "Note"), evidencing its obligation to repay the Loan. It is a condition of any disbursements hereunder that the Borrower deliver to the Authority the executed Note, a certified copy of resolutions or other authority by the appropriate governing body or bodies as shall legally authorize the execution and performance of this Agreement and the Note, and such opinions, certificates and documents as requested by and in a form acceptable to the Authority.

(b) The Borrower hereby represents and specifically agrees that the Note constitutes a general obligation debt of the Borrower and will be shown as such on its financial statements and be treated in all respects as a general obligation debt of the Borrower. For purposes of permitting sale of the Note to the Authority, the Authority represents that it is a "board, department or agency" of the State of Minnesota within the meaning of Minnesota Statutes, Section 475.60, subdivision 2, clause (4), as amended.

(c) The obligations of the Borrower under the Note evidence amounts payable under the Loan. Each payment made pursuant to the Note will be deemed to be a credit against the corresponding obligation of the Borrower under the Loan and any such payment will fulfill the Borrower's obligation to pay such amount hereunder.

Section 1.4. Disbursements. (a) No funds will be disbursed by the Authority to the Borrower until the Borrower has delivered its Note to the Authority as set forth in Section 1.3.

(b) All Borrower disbursement requests will be subject to Authority approval and will be disbursed on a cost reimbursement basis, consistent with the budget presented in the Borrower's application. The Authority may withhold or disallow all or part of the amount requested if the Authority determines the request is not in compliance with this Agreement, applicable federal and state laws, regulations or rules as then in effect.

(c) The Authority will disburse funds pursuant to approved disbursement requests complying with the provisions of this Agreement. Each disbursement request must be for eligible costs for completed work on the Project and must be submitted at such deadlines established by the Authority and on a form prescribed by the Authority. Each disbursement request must include supporting invoices and billing statements and be signed by an employee or elected official of the Borrower.

(d) The Authority will reimburse the Borrower for eligible Project costs incurred prior to the execution of this Agreement only to the extent approved in connection with the Authority's approval of the Borrower's application. The Authority reserves the right to reimburse the Borrower for approved costs incurred prior to the execution of this Agreement by making disbursements therefor over a two-year period in eight equal quarterly payments.

(e) Disbursements will be made by the Authority to the Borrower within 30 days of receipt of the Borrower's request, unless the Authority determines to withhold disbursement in accordance with the provisions of this Agreement. Generally, disbursement requests submitted by the 15th of the month are paid by the 25th of the month.

(f) If the entire amount specified in Section 1.1 is not fully disbursed by June 30, 2015, no further disbursements will be made. In such event or if final eligible Project costs are less than the total financing amount specified in Section 1.1, only the undisbursed balance of the WIF Grant will be cancelled and the Loan amount not disbursed will be applied to the outstanding principal installments of the Loan on a pro rata

basis or as otherwise determined by the Authority. The Authority will revise Exhibit A to this Agreement to reflect the reduction in principal amount and promptly deliver a copy to the Borrower.

Section 1.5. Mandatory Payments. (a) The principal amount of the Loan, together with interest and servicing fees collectively, will be repaid in the amounts and on the dates set forth in Exhibit A attached hereto (notwithstanding the rate of disbursement of the proceeds of the Loan), subject to adjustment as set forth in Section 1.4 or 1.6. The Authority will be entitled to retain for its own purposes any interest earnings on Loan proceeds that are not disbursed and will not be obligated to credit against any required repayment of principal or payment of interest and servicing fees any such interest earnings. Any payment of principal or interest received by the Authority in excess of the amounts set forth in Exhibit A, as then in effect, which is not a mandatory payment as designated in paragraph (b), or not expressly designated by the Borrower to be treated as an optional prepayment may, in the sole discretion of the Authority, be (i) held without interest payable by the Authority and applied to a future payment due on the Loan in a manner determined by the Authority, (ii) treated as a prepayment of principal on the Loan, or (iii) returned to the Borrower as an overpayment. Other than prepayments, the Authority will apply any payments received under the Note as follows: first, to the payment of any costs or expenses incurred by the Authority in enforcing any provision of the Note or this Agreement; second, to the payment of accrued and unpaid interest and servicing fees on the Note; and third, to the payment of principal of the Note then due.

(b) If the Borrower has pledged to the repayment of the Loan revenues subject to prepayment or lump-sum payment by a third party, such as special assessments or connection charges from another municipality, the Borrower agrees, to notify the Authority immediately upon receipt of any such payment. The Authority, in its sole discretion, may direct the Borrower to use the funds for the payment of eligible construction costs of the Project, or to transmit the funds to the Authority for payment on the Loan, immediately or at a later date. Any such payment received by the Authority may be applied to reduce each unpaid annual principal installment of the Loan in the proportion that such installment bears to the total of all unpaid principal installments, or, in the sole discretion of the Authority, may be applied to one or more future principal payments on the Loan in a manner determined by the Authority.

Section 1.6. Optional Prepayments. (a) The Loan may not be prepaid except upon written consent of the Authority. If the Authority has consented, then upon 45 days' prior written notice to the Authority (or such lesser period as the Authority may accept), the Borrower may prepay the Loan and the Note, in whole or in part, on any February 20 or August 20 at a price equal to 100% of the principal amount to be prepaid, together with accrued interest and servicing fees thereon to the redemption date and a premium equal to all fees and expenses of the Authority, if any, in connection with the prepayment, including any fees, expenses or other costs relating to the payment and redemption of its Bonds as determined by the Authority.

(b) The Authority may require that the Borrower, at its sole cost and expense, deliver to the Authority an opinion from a law firm, selected by the Authority, having a national reputation in the field of municipal law whose legal opinions are generally accepted by purchasers of municipal bonds ("Bond Counsel") to the effect that such prepayment will not cause the interest on the Note to be included in the gross income of the recipient thereof for federal income tax purposes.

(c) Any prepayment of the Note shall be applied as follows: first, to the payment of fees, expenses and other costs of the Authority as provided in subsection (a); second, to the payment of interest and servicing fees on the principal amount of the Note to be prepaid; and, third, to the principal of the Note. The principal amount of a partial prepayment will, in the sole discretion of the Authority, (i) be applied to one or more future principal payments of the Loan in a manner determined by the Authority, or (ii) be applied to reduce each unpaid annual principal installment of the Loan in the proportion that such installment bears to the total of all unpaid principal installments (i.e., the remaining principal payment schedule shall be re-amortized to provide proportionately reduced principal payments in each year).

ARTICLE II – BORROWER RESPONSIBILITIES AND PROJECT COMPLIANCE

Section 2.1. Borrower Responsibilities with Respect to the Project. (a) The Borrower shall meet all requirements in the loan application submitted to the Authority as to compliance with federal and state laws, rules and regulations and shall include in any contract or subcontract related to the Project, provisions requiring contractor and subcontractor compliance with applicable state and federal laws. The requirements, including compliance with the reporting requirements of Minnesota Statutes, Section 16A.633 subdivision 4, “Report on Jobs Created or Retained”, in such loan application are hereby incorporated by reference.

(b) The Borrower agrees to commence construction and complete the Project with reasonable diligence, regardless of the sufficiency of loans or grants therefor from the Authority to pay eligible project costs.

(c) The Borrower will not enter into a sale, lease, transfer or other use agreement of any part of the Project, or change the use of the Project, without the prior written approval of the Authority if such sale, lease, transfer, agreement or change in use would (i) violate the covenants set forth in Article III or Article IV, or (ii) violate the conditions under which any capitalization grants were furnished by the United States Environmental Protection Agency (the “EPA”), or (iii) otherwise violate any terms or conditions of this Agreement.

(d) The Borrower must maintain adequate property insurance coverage for the Project in such amounts with such limits as it determines in good faith to be reasonable or in such amounts and with such limits as may be required by the Authority from time to time. The Borrower may substitute adequate, actuarially sound self-insurance or risk retention program(s) for property insurance coverage, so long as such program(s) are consistent with applicable laws and state and federal regulations.

(e) The Borrower must complete the Project in accordance with all applicable federal, state and local statutes, rules, regulations, ordinances, reporting requirements, approvals, and state agency certifications governing the design and construction of the Project, and will operate its clean water system in compliance with all applicable federal and state laws and regulations and permit requirements.

(f) The Borrower agrees to exert all reasonable efforts to investigate claims which the Borrower may have against third parties with respect to the construction of the Project and, in appropriate circumstances, take whatever action, including legal action, the Borrower reasonably determines to be appropriate.

Section 2.2. Construction Compliance. (a) The Borrower will comply with the provisions of prevailing wage requirements set forth in Minnesota Statutes, Sections 177.41 to 177.44, as then in effect.

(b) In addition to the prevailing wage requirements under subsection (a), the Borrower will comply and require that all laborers and mechanics employed by contractors and subcontractors on the Project be paid wages at rates not less than those prevailing on projects of a similar character in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C., sec. 276a through 276a-5), as amended.

(c) If requested, the Borrower will submit to the Authority, within 20 days of the end of the semi-annual reporting period, EPA Form 5700-52A to report on the award of prime contracts or subcontracts to any certified Minority and Women Business Enterprise (MBE/WBE) firms until the Project is complete.

(d) The Borrower will comply with Minnesota Statutes, Section 290.9705, as then in effect, by withholding to the extent so required eight percent (8%) of payments made to all out-of-state contractors once cumulative payments made to the contractor for work done in Minnesota exceed \$50,000 in a calendar year, unless an exemption is granted by the Department of Revenue. Withheld amounts are required to be deposited with the Minnesota Department of Revenue.

Code, of the Tax-exempt Note or Tax-exempt Bonds, except as specifically permitted in writing by the Authority. In addition, any gross proceeds shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent such investment would cause the Tax-Exempt Note or Tax-exempt Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

(h) The Borrower will not invest any moneys constituting “gross proceeds” of the Tax-exempt Note or Tax-exempt Bonds other than in a fair market, arms’ length transaction and at a yield, within the meaning of the Code, in excess of the lesser of the yield on the Tax-exempt Note or the Tax-exempt Bonds applicable to the Loan and shall apply all Loan proceeds within five days of the receipt thereof by the Borrower consistent with the terms of the Borrower’s disbursement request.

(i) Except as permitted under Treasury Regulations, Section 1.150-2, and Section 1.4(d) hereof, the Borrower will not use Loan proceeds to reimburse itself for any payments of project costs which the Borrower made from other funds, if the original payment was made prior to the earlier of the issuance of the Authority Bonds used to fund the Loan or the execution and delivery of this Agreement or if the original payment was made from the proceeds of other debt of the Borrower.

(j) Other than as provided in Section 4.1 hereof, the Borrower agrees that the allocation by the Authority of funds it uses to purchase the Loan, including different series of Tax-exempt Bonds, shall be at the sole discretion of the Authority and such allocation shall be binding on the Borrower.

(k) With respect to any gross proceeds of the Tax-exempt Bonds created by the Borrower, the Borrower shall be liable to the Authority for the amount required to be rebated as excess investment earnings to the United States.

(l) The Authority may, in its sole discretion and only upon receipt of an opinion of counsel to the Authority, waive any of the agreements set forth in this Article III.

ARTICLE IV – COMPLIANCE WITH STATE BOND REQUIREMENTS

Section 4.1. State Bond Financed Property. The Borrower and the Authority acknowledge and agree that the Borrower’s ownership interest in the Project consisting of real property, and, if applicable, all facilities located, or that will be constructed and located on such real property and all equipment that is a part thereof that was purchased with the proceeds of general obligation bond proceeds constitute “State Bond Financed Property”, as such term is used in Minnesota Statutes, Section 16A.695 and the “Third Order Amending Order of the Commissioner of Finance Relating to Use and Sale of State Bond Financed Property” dated August 26, 2010 (the “Order”) as such may be amended, modified, supplemented, or replaced from time to time and therefore, the provisions contained in such statute and order apply to the Borrower’s ownership interest in the Project and any Use contracts relating thereto. The Borrower agrees that the proceeds of the Loan must be used and the Project must be operated in a manner that complies with Minnesota Statutes, Section 16A.695 and the Order. The Borrower must file the required state bond financed property declaration as provided in the Order and provide a copy of the filed declaration to the Authority, unless the filing requirement is waived in writing by the Commissioner of Minnesota Management and Budget.

Section 4.2. Lease or Management Contract. The Borrower agrees that: any lease or management or similar contract (each a “Use Agreement”) entered into by the Borrower with respect to property constituting all or a part of the State Bond Financed Property must comply with the following requirements:

- (a) It must be for the express purpose of carrying out of a governmental program established or authorized by law and established by official action of the Borrower.
- (b) It must be approved, in writing, by the Commissioner of Minnesota Management and Budget.
- (c) It must be for a term, including any renewals that are solely at the option of the lessee or manager, that is substantially less than the useful life of the property subject to such lease or management contract, but may allow renewal beyond that term upon determination by the Borrower that the use continues to carry out the governmental program.
- (d) It must be terminable by the Borrower if the other contracting party defaults under the contract, or if the governmental program is terminated or changed.
- (e) It must provide for oversight by the Borrower of the operation of the property that is the subject of the Use Agreement.
- (f) It must specifically identify the statute that provides the Borrower authority to enter into the Use Agreement.
- (g) It must contain a provision stating that the Use Agreement is being entered into in order to carry out a governmental program and must specifically identify the governmental program.

Section 4.3. Sale. The Borrower must not sell any property constituting all or a part of the State Bond Financed Property unless the sale complies with the following requirements:

- (a) The Borrower determines by official action that such property is no longer usable or needed by the Borrower to carry out the governmental program for which it was acquired or constructed.
- (b) The sale must be made as authorized by law.
- (c) The sale must be for fair market value as defined in Minnesota Statutes, Sections 16A.695 as then in effect.
- (d) The Borrower must obtain the prior written consent of the Commissioner of Minnesota Management and Budget.

Section 4.4. Changes to Minnesota Statute 16A.695 or the Order. In the event that Minnesota Statutes Section 16A.695 or the Order is amended in a manner that reduces any requirement imposed upon the Borrower, or if the Borrower’s interest in the State Bond Financed Property is exempt from Minnesota Statutes, Section 16A.695 or the Order, then upon written request by the Borrower, the Authority will enter into and execute an amendment to this Agreement to implement herein such amendment to or exempt the interest in the Project from Minnesota Statutes, Section 16A.695 and the Order or both.

Section 4.5. Waiver. The Authority may waive the requirements of Article IV at any time upon determination by the Authority, and after receiving approval by the Commissioner of Minnesota Management and Budget that the Loan has not been and will not be funded from the proceeds of state general obligation bonds.

ARTICLE V - DISCLOSURE

Section 5.1. Information for Disclosure Documents. (a) The Borrower agrees to provide to the Authority such information with respect to the Borrower, its duties, operations and functions as may be reasonably requested by the Authority, and hereby consents to its inclusion in the Authority's official statement(s) used in connection with issuance and sale or the re-marketing of its Bonds or continuing disclosure with respect to its Bonds (collectively, the "Disclosure Documents"), whether or not all or a portion of the proceeds of Bonds were or will be loaned to the Borrower.

(b) At the request of the Authority, the Borrower will certify and represent that such information with respect to the Borrower in any Disclosure Document does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading; provided, however, that in no event shall the Borrower be required to make any representation about any other information in the Disclosure Documents or as to any Disclosure Document in its entirety. If for any reason the Borrower determines that it shall not be able to make such certification and representation, it will provide such information to the Authority as is necessary for inclusion in the Disclosure Documents so as to enable it to make such certification and representation.

(c) If at any time during the period ending 90 days after the date the Borrower provides information to Authority for inclusion in a Disclosure Document any event occurs which the Borrower believes would cause the information with respect to the Borrower in the Disclosure Document to omit a material fact or make the statements therein misleading, the Borrower shall promptly notify the Authority in writing of such event and provide information for inclusion in the Disclosure Document or an amendment thereof or a supplement thereto. At the request of the Authority, the Borrower will also provide the certification and representation required in (b) above with respect to such information.

(d) The Borrower will provide such information as may be reasonably requested by any rating agency in connection with rating the Bonds of the Authority.

Section 5.2. Continuing Disclosure. If the Authority, in its sole discretion, determines, at any time prior to payment of the Loan in full, (i) that the Borrower is a material "obligated person," as the term "obligated person" is defined in Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto ("Rule 15c2-12") or (ii) that an event has occurred with respect to the Borrower or the Loan that must be disclosed under Rule 15c2-12, or that any other action of the Borrower has occurred which the Authority determines in its sole discretion is material to an investor in Bonds of the Authority, with materiality under clause (i) being determined by the Authority pursuant to criteria established, from time to time, by the Authority in its sole discretion and set forth in a resolution or official statement of the Authority, the Borrower hereby covenants that it will authorize and provide to the Authority, for inclusion in a Disclosure Document, all statements and information relating to the Borrower deemed material by the Authority for the purpose of satisfying Rule 15c2-12 as well as Rule 10b-5 promulgated pursuant to the Securities Exchange Act of 1934, as amended or supplemented, including any successor regulation or statute thereto ("Rule 10b-5"), including certificates and written representations of the Borrower evidencing satisfaction of the requirements of Rule 15c2-12 and Rule 10b-5; and the Borrower hereby further covenants that the Borrower (if determined to be such a material obligated person) shall execute and deliver a continuing disclosure agreement, in such form as the Authority shall determine to be necessary, desirable or convenient, in its sole discretion, for the purpose of meeting the requirements of Rule 15c2-12, and pursuant to the terms and provisions of such continuing disclosure agreement, the Borrower shall thereafter provide ongoing disclosure with respect to all annual and event information and financial statements relating to the Borrower required by a continuing disclosure undertaking under Rule 15c-12 and pursuant to the terms and provisions of such continuing disclosure agreement, and the Borrower further agrees that the Authority shall have the right to

disclose any information about the Borrower or the Loan, whether or not received from the Borrower, determined by the Authority in its sole discretion, to be material with respect to any of its Bonds.

Section 6.1. Events of Default. Any of the following are events of default under this Agreement:

(a) Failure of the Borrower to make a payment when due;

(b) Failure of the Borrower to comply with any other provision of this Agreement or the Note after written notice from the Authority and the Borrower fails for a three-month period to cure such default or provide a written plan acceptable to the Authority providing for such cure or, if the Authority accepts a plan for cure, the Borrower fails to cure any defaults within the time period specified therein.

Section 6.2 Remedies. (a) For an event of default under Section 6.1(a) of this Agreement, the Authority shall impose an interest penalty as provided in Minn. Rules Part 7380.0475, Subpart 1. The Authority may also exercise one or more of the following remedies: (1) withhold approval of any disbursement request, (2) reject any pending application by the Borrower for financial assistance, (3) to the extent permitted by law, demand immediate payment of the Loan and the Note in full and, upon such demand, the outstanding principal amount of the Loan and Note will be immediately due and payable, with interest accrued thereon to the date of payment, or (4) exercise any other remedy available to the Authority at law or in equity, including under Minnesota Rules, Chapter 7380, as amended.

(b) For an event of default under Section 6.1(b) of this Agreement, the Authority shall impose an immediate increase in the interest rate on the Loan by eliminating all interest rate discounts that were applied in determining the interest rate under Minnesota Rules, Part 7380.0442. The Authority may also exercise one or more of the following remedies: (1) withhold approval of any disbursement request, (2) reject any pending application by the Borrower for financial assistance, (3) to the extent permitted by law, demand immediate payment of the Loan and the Note in full and, upon such demand, the outstanding principal amount of the Loan and Note will be immediately due and payable, with interest accrued thereon to the date of payment, or (4) exercise any other remedy available to the Authority at law or in equity, including under Minnesota Rules, Chapter 7380, as amended.
