STATEMENT OF PURPOSE: This resolution authorizes the purchase of 6,000 tons of washed sand from Duluth Ready Mix, Inc., for use by street maintenance crews, for a total of \$64,125.00. This action also renews an existing contract with the vendor, the second year of a three-year contract.

The purchasing division posted the original request for bids for gravel, washed sand, and rock on March 21, 2011, on the city's website. The city received eight bids by the April 7, 2011, closing date. After careful review, the purchasing agent determined that Duluth Ready Mix, Inc., submitted the lowest bid, considering the cost of material and delivery. The Duluth city council approved a contract with Duluth Ready Mix, Inc., with passage of Resolution 11-0183R on April 25, 2011.
