STATEMENT OF PURPOSE: This resolution authorizes a construction contract with Hunt Electric Corporation for electrical upgrades for Enger Park in the amount of \$124,101. This work involves replacement of electrical service and wiring replacement, including service to the new gazebo and the existing pavilion, as well as new LED path lighting to the tower and up to the gazebo.

The purchasing division posted an invitation to bid September 6, 2012, on the city's website, and received two complete bids by the closing date. City staff verified that Hunt Electric Corporation had the lowest bid and proceeded to negotiate cost reductions to stay within budget.
