STATEMENT OF PURPOSE: This resolution will authorize an agreement with Barr

Engineering Company for professional engineering services to prepare stream restoration plans for the Duluth Streams Restoration Flood 2012 project. Barr Engineering Company has experience in stream restoration and has offices locally to perform the work. Because of the size of the project it is being split between two firms. Payable out of Disaster Recovery Fund 225, Department 125 (Finance), Agency 1807 (Parks, Recreation and Other), Object 5303 (Engineering Services), city project no. 1186.
