STATEMENT OF PURPOSE: This resolution authorizes the purchase of 700 tons of cold mix from Ulland Brothers, Inc., at \$68.50 per ton for a total of \$51,246.56, including sales tax. The material will be picked up by city personnel and used for various projects.

The purchasing division posted a request for bids September 12, 2012, on the city's website, and received two responses by the closing date.

After careful review, city staff selected Ulland Brothers over Monarch because Monarch's mix requires additional heating before application; their mix is not the same quality. The city's new contract with Ulland Brothers will run from October 1, 2012, through September 30, 2013.
