STATEMENT OF PURPOSE: This resolution authorizes a contract with Unique Paving Materials Corporation for the purchase of 450 tons of UPM high performance cold mix from Unique Paving Materials Corporation in the amount of \$55,307.81. The award is based on both city-approved specifications and Minnesota state contract Release B-357(5).

The current requisition is for 2012, but the actual contract period runs from October 1, 2012, through September 30, 2013. City workers will pick up and haul material.

The purchasing division posted the original request for bids October 5, 2012, on the city's website, and received two responses by the closing date. The purchasing agent determined that Mesabi Bituminous' bid did not meet the city-approved specification for oil, rejected the bid, and awarded the contract to Unique Paving Materials. UPM high performance cold mix was tested two years ago and is still holding.
