

MOTION TO AMEND RESOLUTION 12-0608

BY COUNCILOR KRAUSE:

I move to amend Resolution 12-0608 as follows:

RESOLVED, pursuant to sections 31-6(a) and 31-8 of the Duluth City Code, 1959, as amended, and the authority otherwise granted in said Code and the Duluth City Charter, the charges for those permits, licenses, fines, penalties and other charges listed in Public Document No. _____ are hereby established at the private sector cost of living increase and not the implicit price deflator as required by City Code Section 2-5(b) and are as those set forth in said public document, as amended, effective as of January 1, 2013.

STATEMENT OF PURPOSE: This resolution adopts license, permit, fine, penalty and other fee charges for the year 2013 as well as eliminates any unused/unnecessary charges.

As per Duluth City Code Section 2-5, the fees increase annually by the implicit price deflator (IPD) for governmental purchases. For 2013, the amount is 2.83 percent. However, Duluth City Code Section 2-5(b)(5) provides that the council can, by resolution, determine a different method for calculating the fee schedule.
