

COMMITTEE OF THE WHOLE

13-0023R

RESOLUTION REGARDING ALTERATION OF AERIAL LIFT BRIDGE  
LIGHTING.

CITY PROPOSAL:

WHEREAS, several local organizations have expressed interest in altering the lighting of the aerial lift bridge to recognize and support charitable causes; and

WHEREAS, while the city recognizes that the bridge is a visible symbol that can help raise the profile of worthy causes, the bridge is foremost a piece of working equipment that is vital to the local shipping industry and the lighting of the bridge is both aesthetic and necessary for the safety of pedestrians, vehicles and vessels.

THEREFORE, BE IT RESOLVED, that the council hereby requests city administration establish a policy for the review and implementation of requests by organizations to alter the lighting of the aerial lift bridge;

FURTHER RESOLVED, that such policy should include the following:

- (a) Requests should be made to the Department of Public Works at least 30 days prior to the proposed date and shall be subject to city council approval;
- (b) Any lighting work and alterations should be done by qualified lighting professionals with limited assistance from city employees;

(c) Any sponsoring organization and company doing lighting alteration work shall enter into a written agreement accepting city indemnification, insurance and site access requirements.
