STATEMENT OF PURPOSE: Resolution 12-0543, passed on October 22, 2012, awarded

a contract to Limnotech for professional engineering services related to the assessment, initial evaluation, application preparation and subsequent supporting services for the Duluth Stream Restoration project. This resolution will amend Limnotech's contract for additional engineering services associated with additional costs incurred due to higher levels of documentation and detail required for the submittal process. The estimated additional cost of \$75,000 will be payable from Disaster Recovery Fund 225, Department 125 (Finance) Object 5303 (Engineering Services), engineering project no. 1186.
