STATEMENT OF PURPOSE: This resolution will authorize reconstruction of
sanitary sewer in Lakeside Court Easement by Billman Construction, Inc., in
the amount of \$34,485.00 payable from Fund, 530, Department 500, Cost Center
1905, Object 5535, City Project No. 1150. Billman Construction, Inc. was the
lowest of the four companies that responded. Their bid was 17 percent higher
than the Engineer's construction estimate of \$29,360.00. However, the
construction cost is below the estimated total assessed project costs of
\$37,827 and the eight homes are on a shared private sewer that is a major
source of infiltration and inflow that contribute to sanitary sewer flows

further downstream. The new sanitary sewer needs to be constructed. We recommend award.
