STATEMENT OF PURPOSE: This resolution authorizes city officials to accept donations for the re-establishment of a police department mounted patrol in the downtown Duluth area. Re-establishment of the police department mounted patrol has generated interest from the public to contribute monetarily to assist the city in its efforts to improve safety in the downtown area. The City would like to accept the monetary gifts and it is expected that further donations are likely to be made during 2013 and 2014. This resolution further establishes a dedicated funding account for the project as required by GASB Accounting Standard 54.
