STATEMENT OF PURPOSE: The city of Duluth has received approximately \$3,000,000 in flood recovery funding for stream restoration, bank stabilization and removal of debris and sediment. This contract awards the engineering design work for 13 different projects on the east side of Duluth to the most qualified firm. Proposals were evaluated and scored by engineering staff based upon work plan, experience, knowledge, history and cost. Two proposals were received and both were under budget. Although Barr's proposal was not the lowest cost, it demonstrated the most complete plan and understanding of the funding parameters, and will produce the best value. This contract is fully covered by grant funds

already awarded to the city. Payable from Disaster Recovery Fund 225, Department 125 (Finance), Division 1807 (Parks, Recreation and Other), Object 5303 (Engineering Services, city project no. 1186, requisition no. 13-20DS.
