STATEMENT OF PURPOSE: Resolution 12-0544, passed on October 22, 2013, awarded a contract (C21800) to Barr Engineering for professional services for assistance in evaluating, assessing, and preparing grant applications to the Minnesota Recovers Task Force (MRTF) and other grant agencies for stream restoration work as a result of the June 2012 flood to repair and restore city-owned property along streams that were damaged and/or are in need of flood protection. This resolution will increase the contract amount by an estimated \$25,000 for a new total of \$200,000. This resolution will amend Barr Engineering's contract for additional engineering services associated with additional costs incurred due to higher levels of documentation and detail required for the submittal process. Payable out of Disaster Recovery Fund 225, Department 125 (Finance), Division 1807 (Parks, Recreation and Other), Object 5303 (Engineering Services), city project 1186.
