STATEMENT OF PURPOSE: This resolution renews the city's annual contract with Inter-City Oil Company, Inc., for the purchase/delivery of bulk fuels in year 2014 for an amount not to exceed \$200,000.

The price is based upon a fixed constant of \$.05 cents per gallon for service station fuels and \$.20 per gallon for delivered bulk fuels. Total fuel usage can be broken down as follows: Service station fuels - 80% and delivered bulk fuels 20%. The bid constant is added to the Duluth daily rack average price plus taxes. The estimated price is based on usage from prior years.

The purchasing division posted the original request for fuel bids, both station and bulk, January 5, 2012, on the city's website and received two responses from local companies by the closing date. City staff recommended that Inter-City Oil Company, Inc., the sole bidder for bulk fuel, be awarded a contract.

Inter-City Oil has outlets in Duluth, Minnesota.
