

## 4.0 Wetland Applications

All development in the city must comply with state statutes and regulations. In addition, any development impacting wetlands requires formal approval by the designated city wetland representative. See [UDC Section 50-18.1.B](#).

For information about wetland regulations in Minnesota, see <http://www.bwsr.state.mn.us/wetlands/publications/wetlandregulation2.html>.

Application forms for wetland approvals can be found at the following locations:

General Form for Most Projects Involving Lakes, Wetlands, Rivers, and Streams:

- Pdf version: [http://www.bwsr.state.mn.us/wetlands/forms/form03\\_B.pdf](http://www.bwsr.state.mn.us/wetlands/forms/form03_B.pdf)
- Word version: [http://www.bwsr.state.mn.us/wetlands/forms/form03\\_B.doc](http://www.bwsr.state.mn.us/wetlands/forms/form03_B.doc)

Wetland Boundary Type Application Form:

- Pdf version: [http://www.bwsr.state.mn.us/wetlands/forms/form03\\_B.pdf](http://www.bwsr.state.mn.us/wetlands/forms/form03_B.pdf)
- Word version: [http://www.bwsr.state.mn.us/wetlands/forms/Wetland\\_Boundary\\_Type\\_app.doc](http://www.bwsr.state.mn.us/wetlands/forms/Wetland_Boundary_Type_app.doc)

Wetland applications are filed with the City of Duluth's wetland consultant:

R.C. Boheim  
South St. Louis Soil and Water Conservation District  
215 North 1<sup>st</sup> Avenue East, Room 301  
Duluth, MN 55802  
218-723-4629
