STATEMENT OF PURPOSE: The city of Duluth has received funding from the National Resources Conservation Service (NRCS) and the Board of Water and Soil Resources (BWSR) for debris removal and streambank stabilization on Mission and Kingsbury Creeks. This contract awards the Mission Creek portion of the project to Veit Companies as they were the lowest bidder on this half of the project. This contract will be substantially covered by grant funds already awarded to the city. Payable from Disaster Recovery Fund 225, Department 125 (Finance), Division 1807 (Parks, Recreation and Others), Object 5303 (Engineering Services) city project no. 1271.
