STATEMENT OF PURPOSE: This resolution expresses the city council's support of an application to be submitted to the Minnesota Housing Finance Agency (MHFA) by Pastoret LLC for low-income housing tax credits that may be awarded by MHFA for the proposed Pastoret Terrace project, a redevelopment of the former Kozy Apartments. The deadline for the submission of the application is June 10, 2014. The request is for an estimated \$6,213,316 in housing tax credit financing. Total cost for the entire redevelopment project is estimated at \$9,415,537. The developer claims 73 points on the "Self-Scoring Worksheet 2014/2015 Housing Tax Credit Program", which MHFA uses to select projects to be awarded credits. MHFA intends to finalize their funding decisions on October 23, 2014.

Located at 127-129 East 1st Street, the project entails the redevelopment of the historic Pastoret Terrace building. In 2010, a major fire gutted significant portions of the building, and it is currently vacant and blighted, condemned for occupancy. This 127-year old building is a contributing resource to the Duluth

Commercial Historic District, and has been deemed a "certified historic structure" by the Minnesota State Historic Preservation Office and the National Park Service. This designation allows the project to secure \$1,265,414 in federal historic tax credits, and \$1,211,567 in state historic credits. The renovated building will provide 40 studio units of workforce housing in downtown, with 36 of the units affordable to households with incomes up to 50% of the area median, and 4 units at 30% area median.

MHFA requires applicants for housing projects in Duluth to receive the support of the city council, with a finding that the Pastoret Terrace project is a priority for the city of Duluth, and that it meets a locally identified housing need. The City's Comprehensive Plan; Consolidated Plan for Housing & Community Development 2010-2014; Duluth East Downtown, Hillside and Waterfront Charrette Report and Plan; and the Hillside Neighborhood Revitalization Plan of November, 2012, support affordable housing options in the downtown area.

Additionally, the Duluth HRA has approved intent to create a tax increment financing (TIF) district for the project, as evidence in the HRA Board Resolution No. 3360-13, approved on February 26, 2013. The HRA found the project to be consistent with City plans for neighborhood revitalization. This resolution also expresses the City Council's intent to support the creation of a TIF district that the developer estimates will provide \$300,000 for the redevelopment of the Pastoret Terrace project.

Project Description
Pastoret Terrace Redevelopment
127-129 East 1st Street

This project entails the redevelopment of the historic Pastoret Terrace building in the East First Street portion of the Central Business District. The 127-year old Pastoret building is a signature work of Duluth's most distinguished architect and remains one of his most significant structures. For the last 100 years, the building - known as the Kozy Apartments - has provided Single Room Occupancy (SRO) housing to the community's lowest income residents; in 2010, the building contained 50 units. A major fire that year gutted significant portions of the building, and it is currently vacant and blighted, condemned for occupancy.

The Pastoret Terrace is a contributing resource to the Duluth Commercial Historic District, and the building has been approved as a 'certified historic structure' by the Minnesota State Historic Preservation Office (SHPO) and the National Park Service. This qualifies the project for both state and federal historic tax credits, and ensures that the restoration of the building will be completed in accordance with the Secretary of the Interior's Standards for historic rehabilitation, thus preserving one of the community's most significant historic resources. Two significant project components will affect the building façade: (1) the removal of the non-historic Kozy Bar addition (circa 1924) and restoration of the original street-level façade of the building; and (2) the potential reconstruction of missing historic elements - cupola, dormers and porches - that were part of the original 1887 design but removed in the 1920s. These project activities will be undertaken only after design approval by both MN SHPO and the National Park Service in accordance with the approved Rehabilitation Plan.

This project will redevelop the Pastoret building, providing 40 units of affordable workforce housing together with supportive commercial activities in an adjacent building in a subsequent phase of development. The restoration of a majority of the affordable downtown housing units lost as a result of the fire conforms with the City's initiatives to foster housing for the growing downtown workforce in support of preservation and affordable housing policies, as cited in the City's Comprehensive Plan; the Consolidated Plan for Housing & Community Development 2010-2014; the Duluth East Downtown, Hillside and Waterfront Charrette Report and Plan; and the Hillside Neighborhood Revitalization Plan of November, 2012.

Pastoret, LLC has engaged Sand Companies, Inc. (Sand) to co-develop, design and construct the Pastoret Terrace. Sand has nearly 20 years of experience in workforce communities with over 1,000 units developed and built since 1995. In addition, Sand has developed, designed and constructed over 287 multifamily units in historic buildings.

Pastoret Terrace will provide 40 workforce housing studio units in downtown Duluth for individuals. These units will serve individual men and women, elderly, and young single adults. Pastoret Terrace will have 36 units with rents at 50% area median income (AMI) and 4 units with rents at 30% AMI. In addition to the 40 units, Pastoret Terrace will also have laundry facilities, offices for property management and service coordinator, and community space.

With renovation, Pastoret Terrace can once again provide residents a place to call home in downtown Duluth. By combining the Federal and State Historic Tax Credits with low income housing tax credits, the City of Duluth and its residents will be able to rehabilitate a historic building and provide needed housing to the residents of Duluth.

RESOLUTION NO. 3360-13
EXPRESSING INTENT TO CREATE AND ADMINISTER A TAX INCREMENT
FINANCE DISTRICT FOR PASTORET DEVELOPMENT

WHEREAS, the Housing and Redevelopment Authority has worked with the City of Duluth, Local Initiatives Support Corporation, and other partners on creating a vision for neighborhood revitalization in the Central Hillside neighborhood, and downtown areas, and has identified the need for affordable housing to meet community needs in this area; and

WHEREAS, a fire in the former Kozy Bar building in Downtown Duluth at 127 -129 East First Street, also previously known as the Pastoret Terrace building, has created a significant blighting influence in the downtown area of the Central Hillside, and has reduced the number of affordable housing units for low income individuals; and

WHEREAS, Pastoret LLC has been working on redevelopment plans for the rehabilitation of this historic building, and has asked the Housing and Redevelopment Authority to undertake the development of a tax increment financing plan to assist in financing the rehabilitation and creation of approximately 40 units of affordable housing; and

WHEREAS, it is anticipated that successful rehabilitation of the building and the creation of 40 units of affordable housing will require assistance in the form of Tax Increment Financing in order to achieve financial feasibility;

NOW THEREFORE BE IT RESOLVED, that subject to approval of the Duluth City Council, and further verification of development financing need that substantiates that but for the use of Tax Increment Financing the Pastoret Terrace Rehabilitation and housing development plan would be unable to proceed, the HRA intends to create and administer a Tax Increment Finance district limited in terms sufficient to minimally meet financial requirements of the development in compliance with state statutes.

 Ex. Dir.

February 26, 2013

STATEMENT OF PURPOSE:

This resolution expresses intent to create a Tax Increment Finance district as needed subject to City Council approval and verification of financial necessity for the Pastoret Terrace Rehabilitation project proposed by Pastoret LLC to create approximately 40 units of affordable housing consistent with City plans for neighborhood revitalization.

The plan must incorporate an ownership exit strategy and the provision of services including homeownership education and training. The Declaration of Land Use Restrictive Covenants will contain provisions ensuring compliance with these homeownership program commitments by the Owner. (Refer also to Chapter 4 W of the HTC Procedural Manual for additional information.)

Until the time the HTC units are purchased by qualified tenants or in the event the HTC units are not acquired by qualified tenants, the owner will extend the duration of low-income use for the full extended use period (30 years).

10. Temporary Priority – Foreclosed Properties	5 or 10 Points	0
------------------------------------------------	----------------	---

The proposal addresses a temporary housing priority and is eligible for the award of points by the Commissioner or the Board of the Minnesota Housing Finance Agency pursuant to authority cited in the Rules of the Minnesota Housing Finance Agency.

(Note: Points cannot be taken in this section for a Temporary Priority if a priority section has been specifically created for it elsewhere in this self-scoring worksheet.)

Priority is given to applications proposing to acquire and rehabilitate a “Foreclosed Property” (A home or residential property has been foreclosed upon if any of the following conditions apply: a) the property’s current delinquency status is at least 60 days delinquent under the Mortgage Bankers of America delinquency calculation and the owner has been notified of this delinquency, or b) the property owner is 90 days or more delinquent on tax payments, or c) under state, local, or tribal law, foreclosure proceedings have been initiated or completed, or d) foreclosure proceedings have been completed and title has been transferred to an intermediary aggregator or servicer that is not an NSP grantee, subrecipient, contractor, developer, or end user.) or are located in a Foreclosure Priority Area identified by Minnesota Housing. In cases where the project involves a “Foreclosed Property”, the proposed project cannot be a conversion (adaptive reuse/conversion to housing from another use).

The project must consist of a minimum of 12 units and all units must be located on one parcel or contiguous site.

Points may be claimed for only one of the following (maximum of ten (10) points):

- For applications proposing to acquire and rehabilitate a Foreclosed Property or redevelop vacant land involved in a foreclosure action which is located in one of the designated Foreclosure Priority Areas. – **10 points**
- For applications proposing to acquire and rehabilitate a Foreclosed Property or redevelop vacant land involved in a foreclosure action which is not located in one of the designated Foreclosure Priority Areas. – **5 points**
- For applications proposing a project to acquire and rehabilitate a property that is located in one of the designated Foreclosure Priority Areas. – **5 points**

For applications proposing to acquire and rehabilitate a project which has been foreclosed, applicant must provide at the time of application;

- Evidence of applicant’s ownership rights to the property
- Narrative which clearly identifies (1) the number of tenant leases which are valid and in force and (2) the terms and conditions of those leases which would have a direct impact on Minnesota Housing’s analysis and underwriting of the project proposed in the application.

Note: Failure to acquire good title to the property will result in the reevaluation and adjustment of the tax credits or RFP award, up to and including the total recapture of tax credits or RFP funds.

11. Preservation of Federally Assisted Units	25 to 40 Points ()
----------------------------------------------	---------------------

DEFINITION - Any housing receiving project based rental assistance, operating subsidies, or mortgage interest reduction payments under a U.S. Department of Housing and Urban Development (“HUD”) or U.S. Department of Agriculture Rural Development (“RD”) program that is not scheduled to sunset or expire. NAHASDA is eligible for points under Imminent Risk of Loss provided that criteria 1.b. and 1.c. are met, and eligible for points under High Risk of Loss provided that either criterion 2.a. or 2.b. is met.

In order to obtain the related points, the owner shall continue renewals of existing project based housing subsidy payment contract(s) for as long as the assistance is available. Except for “good cause” the owner must not evict existing subsidized residents and must continue to renew leases for those residents.

Imminent Risk of Loss – 30 Points

- To obtain these points, the existing federal assistance must be at risk of loss within three years of application date due to prepayment/opt-out/mortgage maturity and conversion to market rate housing.

Attach evidence (narratives), including eligibility dates, with copies of relevant expiring contracts, loan documents that describe the ability to pre-pay the financing including required approvals and/or penalties AND documentation to fully evidence all of the following:

- a. Location in either a jobs growth area or household growth area (as published by Minnesota Housing); and
- b. Market for conversion evidenced by significant rent differential and low physical vacancy rate (4% or lower) for market rate comparable units (comparable units to be validated by Minnesota Housing at Minnesota Housing’s discretion); and
- c. The property’s ability to command market rents as evidenced by direct comparison to local market comparable units and amenities. Conversion scenario must result in sufficient additional revenue to support improvements and amenities necessary to match market comparable units.

Minnesota Housing, at its sole discretion, must agree that a market exists for a conversion to market rate housing.

Attach completed “Market Conversion” workbook.

High Risk of Loss – 25 Points

- To obtain these points, the existing federal assistance must be at risk of loss under one of the following two thresholds:

Contract expiration/opt-out or mortgage maturity/prepayment within six years of application date and the local need for subsidized units can be demonstrated by data evidencing rent-burdened population (as published by Minnesota Housing): Cost Burdened Lower Income Renters You can find this information in the agency’s community profiles interactive mapping tool

or

Contract expiration/opt-out or mortgage maturity/prepayment within six years of application date and property is located in either jobs growth area or household growth area (as published by Minnesota Housing); Preservation Geographic Priority Areas

AND

either 2a. or 2b. is true.

- Reason for high risk of loss:

2a. Critical physical needs identified by third party assessment to support the following conclusions:

- i. As-is condition of a property's physical component(s) does not meet:

- ii. Repair/replacement of major physical plant components have been identified which will result in 15+ years sustained operations of federally assisted units, and
- iii. Identified scope of critical physical needs exceeds the available reserves.

Attach evidence of most recent REAC score or RD classification, outstanding code violations or other inspection results that threaten sustained operations under the federal assistance.

Evidence of inspection results is not required for NAHASDA.

1a. Metro or Greater Minnesota MSA*

- 12-30 units – 1 point
- 31-60 units – 3 points
- 61-100 units – 7 points
- 101+ units – 10 points

* Greater Minnesota MSA (Metropolitan Statistical Area) as defined by HUD: Duluth, St. Cloud, Fargo/Moorhead, Rochester, Mankato, Lacrosse, Grand Forks, Minneapolis/St. Paul MSA outside of the 7 county metro (including Chisago, Isanti, Sherburne, and Wright Counties)

1b. Greater Minnesota / Rural

---------------------------------------------------------------------------	-----------------	---

Minnesota Housing Competitive Round or Tax Exempt Points (“non-Bonus” points) – 5 or 10 Points

“Non-Bonus” points will be awarded to permanent housing proposals in which a minimum of 5% (rounded up to the next full unit) of the total units, but no fewer than 4 units are set aside and rented to households experiencing long-term homelessness as defined in Minnesota Rules, Chapter 4900.3705:

1. Serves Lowest Income Tenants/Rent Reduction	10	5 to 13 Points
------------------------------------------------	----	----------------

Scores are based on gross rent level including utilities before rental assistance. Eligible units must have rents affordable to households whose incomes do not exceed 30 percent or 50 percent of median income without rental assistance.

In addition to the elected income limit of 50 percent or 60 percent AMI for the full term of the declaration (refer to the Minimum Set-Aside), the applicant agrees to maintain deeper rent structuring for which selection points are requested.

Applicants may choose either option 1 or 2, and in addition, option 3 for the development. This selection will restrict rents only (tenant incomes will not be restricted to the 50 percent or 30 percent income level by claiming points in this section).

Option 1 – A project in which 100 percent of the HTC unit rents representing 40 units are in the county 50 percent HUD area median rent limit – **10 points**

Option 2 – A project in which at least 50 percent of the HTC unit rents representing _____ units are at the county 50 percent HUD area median rent limit – **5 points**

OR

Option 3 – In addition to Option 1 or 2, a project that further restricts 30 percent of the above restricted units to the county 30 percent HUD area median rent limit representing _____ units – **3 additional points**

NOTE: If points are claimed/awarded for this category, then no points may be claimed/awarded from the selection priority category of Rental Assistance for the same units.

IMPORTANT

All 50 percent rent restricted units must meet the 50 percent area median rent for a minimum of five years after the last placed in service date for any building in the property. After the five year period has expired, rent may be increased to the 60 percent rent limit over a three year period with increases not to exceed the amount listed in the table below, provided that more restrictive threshold, selection priority or funding requirements do not apply.

All 30 percent rent restricted units must meet the 30 percent area median rent for a minimum of five years after the last placed in service date for any building in the property. After the five year period has expired, rent may be increased to the 40 percent rent limit over a three-year period with increases not to exceed the amount listed in the table below, provided that more restrictive threshold, selection priority or funding requirements do not apply.

YEAR	30% of 50% Rent Levels	30% of 30% Rent Levels
1 – 5	30% of 50%	30% of 30%
6	30% of 53%	30% of 33%
7	30% of 57%	30% of 37%
8	30% of 60%	30% of 40%

Minnesota Housing will incorporate these restrictions into the Declaration of Land Use Restrictive Covenants. The applicant must demonstrate to sole satisfaction of Minnesota Housing that the property can achieve these reduced rents and remain financially feasible [IRC § 42(m)(2)]. Points are contingent upon financial plans demonstrating feasibility, positive cash flow on a 15-year pro forma and gaining Minnesota Housing management approval (for management, operational expenses, and cash flow assumptions).

2. Rental Assistance	4 to 21 Points	4
----------------------	----------------	---

Priority is given to an owner that submits with the application a **fully executed binding commitment** (i.e. binding Resolution/binding Letter of Approval from the governing body) for project based rental assistance awarded in accordance with 24 CFR Ch. IX, Section 983.51 or are effectively project based by written contract (e.g. NAHASDA).

The assisted units must be located in buildings on the project site. **For the purpose of this section, if a proposal contains existing project based assisted units, these units will be counted towards meeting required Rental Assistance percentages.**

Rent for assisted units must be at or below Fair Market Rents (or appropriate payment standard for the project area). Receiving these points and agreeing to a minimum number of assisted units does not release owners from their obligations under the Minnesota Human Rights Act and Section 42 prohibiting refusal to lease to the holder of a voucher of eligibility under Section 8 of the United States Housing Act of 1937 because of the status of the prospective tenant as such a holder.

A current request for Minnesota Housing Rental Assistance will not receive Rental Assistance points. A past award of existing Rental Assistance will be counted toward meeting the required percentages. Indicate the applicable combinations of the below components. Points for A, B, C and D cannot be claimed in any combination.

- (A) For developments agreeing to set aside and having the required binding commitment for 100 percent of the total units for project based rental assistance – **17 points**
- (B) For developments agreeing to set aside and having the required binding commitment for at least 51 percent of the total units for project based rental assistance – **13 points**
- (C) For developments agreeing to set aside and having the required binding commitment for at least 20 percent but under 51 percent of the total units for project based rental assistance – **10 points**
- (D) For developments agreeing to set aside and having the required binding commitment for at least 10 percent but under 20 percent of the total units for the project based rental assistance – **6 points**
- (E) For selection components A, B or C above, if, in addition, the above binding commitments are coupled with a binding commitment to provide the project based rental assistance for a minimum 10 year new or remaining contract term – **4 points**
- (F) For selection components A, B or C above, if, in addition, the above binding commitments are coupled with a binding commitment to provide the project based rental assistance for a 4 to 9 year new or remaining contract term – **2 points**

NOTE: If points are claimed/ awarded under any of the above, then no points may be claimed/ awarded from the preference priority categories of Serves Lowest-Income Tenants/Rent Reduction for the same units.

NOTE: Points cannot be claimed/ awarded under the Rental Assistance preference priority if points are claimed/ awarded for the same units under the Preservation of Federally Assisted Units selection priority.

- (G) For developments that cooperatively develop a housing plan/agreement to provide **other** Rental Assistance (e.g. Section 8, portable tenant based, formal recommendation for McKinney Vento Shelter Plus Care rent assistance, or other similar programs approved by Minnesota Housing) to meet the existing need as evidenced at application by a letter of intent signed by both the applicant and the local housing authority or other similar entities – **4 points**

To receive these points, the applicant must comply with all program requirements for the assistance for which priority points were given, including maintaining rents within the appropriate payment standard for the project area in which the project is located for the full compliance and extended use period of the housing tax credits.

As a condition of Carryover or 8609, the applicant must submit a copy of the fully executed contract for the project-based rental assistance to be included in the development.

For project based rental assistance in conjunction with a binding commitment for an “extended term contract” at time of application the applicant must submit a binding commitment for the “extended term contract” for project based assistance for a minimum of 4 or 10 years which is signed by the Local Housing Authority or other similar entity. As a condition of Carryover or 8609, the applicant

must submit a fully executed copy of the “extended term contract” for the project based assistance to be included in the development.

For Other Rental Assistance (e.g., Section 8, portable tenant based, formal recommendation for McKinney Vento Shelter Plus Care rent assistance or other similar rent assistance programs approved by Minnesota Housing), at time of application the applicant must submit a letter of intent to cooperatively develop a housing plan/agreement which is signed by the applicant and Local Housing Authority or other similar entity along, with the completed Agreement to Utilize Public Housing and Section 8 Waiting Lists. As a condition of Carryover or 8609, the applicant must submit a fully executed copy of the cooperatively developed housing plan/agreement.

3. QCT/Community Revitalization	1 Point	
----------------------------------------	----------------	--

A point is awarded to projects that are located in a Qualified Census Tract (See Qualified Census Tract – Reference Materials Index) and are part of a concerted plan that provides for community revitalization. This must be evidenced by a letter from the city verifying that the proposed project is part of an approved community revitalization area as established by resolution or other legal action.

4. Cost Containment	4 Points	4
----------------------------	-----------------	----------

Four points will be available to the 50% of developments with the lowest costs within each development type/location group (subject to the methodology described in Revised Cost Containment Methodology. Applicants may claim these points and Minnesota Housing will make point reductions following its review of costs for all applications in the funding round.

Applications seeking 4% tax credits for use in conjunction with tax exempt bonds are not eligible to claim points through this Cost Containment priority. Only applications seeking tax credits through Minnesota Housing’s 9% Competitive application process for tax credits are eligible to claim points through this priority.

NOTE: Proposals that believe they have contained their costs should select these points.

Only proposals that claim cost containment points on the self-scoring worksheet and are awarded points through the process described above will receive cost containment points.

CAUTION: If a project receives points under this criterion, failure to keep project costs under the applicable cost threshold will be considered an unacceptable practice and result in negative 4 points being awarded in the applicant’s next tax credit submission.

If developers are concerned about their costs and keeping them within the “applicable cost threshold,” they should not claim the cost-containment points.
