

LABOR COMPLIANCE TECHNICIAN

SUMMARY/PURPOSE:

To monitor, investigate, and report on the labor practices of contractors and subcontractors engaged in construction work for the City to determine compliance with city, state and federal prevailing wage laws and regulations.

This classification works independently with limited authority to make decisions applying to statutes, laws, regulations, policies, and procedures pertaining to Davis-Bacon legislation and related city ordinances.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. Review bid specifications and contracts to verify correct wage determination.
2. Perform onsite monitoring to verify compliance with wage determination on City projects, including interviewing construction workers in the field and observe work performed.
3. Review and audit certified payroll reports and other related documents to verify compliance, and ensure appropriate wages and benefits are paid.
4. Notify contractors of violations/infractions and request corrective action be taken as needed.
5. Create, maintain and distribute forms or documents used related to prevailing wage compliance; and post as applicable to City web site; including updating City of Duluth's Davis-Bacon handbook.
6. Receive, investigate and resolve complaints of noncompliance made by construction employees and the public.
7. Assist in gathering evidence for use in possible prosecution of the contractor.
8. Explain, advise, assist and/or train staff and construction personnel on policies and procedures.
9. Prepare complex documents and detailed reports; compile and maintain documentation.
10. Establish, maintain and perform information processing services.
11. Provide service to the public on complex and/or specialized matters.
12. Perform related duties as assigned.

JOB REQUIREMENTS:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required

1. Education and Experience requirements:
 - A. Any combination of training, experience, and/or education equivalent to three (3) years of recent, progressively responsible experience in the building maintenance or construction industry, or; two (2) years of technical experience working with contract compliance or prevailing wage related work.
 - B. A combination of education, experience, and training considered by Human Resources to be equivalent to the above.
