The city of Duluth does ordain:

Section 1. PURPOSE AND AUTHORIZATION.

1.01. The city has received a petition (the "petition") from property owners in the Downtown Waterfront who want to improve the safety, cleanliness and economic vitality of the Downtown Waterfront area by extending the Downtown Waterfront Special Service District ("district") pursuant to Minn. Stat. §§ 428A.01-428A.101 (the "act"). The petition has been signed by owners of more than 50% of the net tax capacity of property that will be subject to service charges and by owners of more than 25% of the land area of property that will be subject to service charges.

1.02. Under the provisions of the act, the city council may adopt an ordinance establishing a special service district. Only property that is classified under Section 273.13 and used for commercial, industrial, or public utility purposes, or is vacant land zoned or designated on a land use plan for commercial or industrial use and located in the special service district, may be subject to the charges imposed by the city on the special service district. The ordinance must describe, with particularity, the area within the city to be included within the district and the special services to be furnished in the district. Special services may not include a service that is ordinarily provided throughout the city from general fund revenues of the city unless an increased level of the service is provided in the special service district.

1.03. The council originally established the district on September 13, 2004, pursuant to Ordinance 9688. An operating plan for Duluth's Downtown Waterfront District dated May 2014, ("operating plan") has been developed by a steering committee composed of a broad range of people representing property owners, business leaders, the city and others with a direct stake in enhanced business and economic development conditions in the Downtown Waterfront. Under the operating plan the term of the district will be extended to December 31, 2019. A copy of the operating plan is available for public inspection in the city clerk's office, 411 West First Street, Duluth, Minnesota. The operating plan sets forth the special services to be provided within the district, the particular area of the city to be included within the district's boundaries, the amount and manner of imposing service charges, and the manner in which the special services will be implemented. The operating plan is hereby incorporated into this ordinance (Public Document No. 14-0623-01).

1.04. Pursuant to the authority herein recited, and as requested in the petition, the city council hereby extends the term of the district to provide the special services as provided below.
