

# The TASC Card

## MyBenefits. MyCash. MyWay

## Offering ease and convenience for your FlexSystem FSA!

**The TASC Card features two accounts on one card—MyBenefits for employee benefits purchases—and MyCash for cash reimbursements.**

Visit MyTASC ([www.tasconline.com](http://www.tasconline.com)) and click Manage My Card to view card information, view allowed benefits, reissue a card (due to never received, damaged, lost/stolen, or name change), request a PIN, and request a dependent card.

### MyBenefits.

The TASC Card provides a convenient method to pay for eligible healthcare, dependent care, and/or transit and parking expenses as defined by your FlexSystem Plan. MyBenefits is funded through equal pre-tax payroll deductions based on your annual benefit election.

Card purchases are limited to your Plan type, and also to merchants with an inventory information approval system (IIAS) in place to identify FSA-eligible purchases. Qualifying merchants may include doctors, dentists, vision care facilities, and day care centers. Simply swipe your card at the time you incur the eligible expense and the IIAS automatically approves the purchase of eligible items and deducts the amount from your MyBenefits account.

### MyCash.

Reimbursements are fast and paperless! If you do not use your TASC Card to pay for an eligible expense, you may submit a request for reimbursement via MyTASC Mobile (visit [www.tasconline.com/mobile](http://www.tasconline.com/mobile) for more information), online Request for Reimbursement form in MyTASC, text message, fax, or mail. Your reimbursement will be deposited in your MyCash account. Access your MyCash funds in three ways: (1) swipe your TASC Card at any merchant that accepts major credit cards, (2) withdraw at an ATM using your TASC Card, or (3) transfer to a personal bank account from MyTASC.

Spend your MyCash funds any way and anywhere you want! Click the MyCash tab in MyTASC to view account activity, request a PIN (for ATM), schedule a transfer, and more.

### MyWay.

- Access to two accounts on one card makes the TASC Card more versatile than ever!
- Avoid embarrassing declines. MyCash funds can be used to pay for eligible expenses if no funds are available in your MyBenefits account.
- Combine general retail items with healthcare expenses in one transaction. The TASC Card is smart enough to know that eligible expenses are deducted from your MyBenefits account while ineligible expenses are withdrawn from MyCash.
- Transfer MyCash funds to a personal bank account (from the home page, click Schedule a Transfer).

The TASC Card is available for the following FlexSystem FSAs (where applicable):

**Healthcare**  
**Dependent Care**  
**Transit & Parking**

***Keep your receipts!***
