STATEMENT OF PURPOSE: This ordinance implements text amendments to Chapter 50 of the City Code, known as the Unified Development Chapter (UDC). The primary purpose of the proposed change is to allow mini-storage facilities as a special use, but only in areas that both zoned RR-1 and that are also in the Airport Overlay Zone B.

The proposed changes were discussed at a published public hearing on September 9, 2014. MEMORANDUM

DATE: September 3, 2014
TO: Planning Commissioners
FROM: Steven Robertson, Senior Planner
SUBJECT: Proposed Text Amendments to the UDC

The Planning Division is recommending several additional amendments to the UDC. After these proposed text amendments are reviewed by the Planning Commission and City Council, the City will reprint a new hard copy version of the UDC, and distribute to the Planning Commission, City staff, and individuals that purchased the UDC.

Planning Staff would prefer action at the September 9th Planning Commission meeting, but if additional discussion is warranted, all the items can be tabled until the next meeting with the exception of changes to the use table and use specific standards (50-19 and 50-20).

The Planning Commission is requested to review the following proposed changes.

Changes to 50-18.1.E, Storm Water Management and Erosion Control

Replace the current regulations as they relate to stormwater control. See attached memo by Tom Johnson, Project Engineer.

Changes to 50-24.2, Required Parking Spaces, and 50-37.9 Variances

Increase the required parking for restaurants (5 to 6.5 per 1,000 sq ft), and banks (2.5 to 3.5 per 1,000 sq ft). This is based off parking counts that staff observed over the course of several weeks. See attached memo by Jenn Moses, Planner II.

Also proposed is an increase the maximum limit for a parking variance (from 175% of required parking to 200% of required parking). Also clarify "use" variances, as they relate to signs.

I am recommending an additional change to required parking multi-family dwellings (1 to 1.25 per dwelling); this was not part of the parking study.

Changes to 50-19, Permitted Use Table, and 50-20 Use Specific Standards

Allow mini-storage facilities as a special use, but only in areas that both zoned RR-1 and in the airport overlay zone B.

Also clarify use specific standards for primary use parking lots.

Changes to 50-27, Signs, and 50-41 Definitions

Clarify regulations as they relate to signs (construction material, definitions, and LED lighting).

Changes to 50-14.5, R-1, and 50-21.2.E Definitions

Clarify standards for lots in R-1, and standards for required street improvement.
