

WAYFINDING + GATEWAYS

STREETSCAPE ELEMENTS

WAYFINDING

- Directional signs and panels on posts at key decision-making locations
- Representative destinations include:
 - Parking
 - Public buildings

Wayfinding Signage

- Using tallest signs for vehicle orientation and lower panel signs for pedestrians

- Skyway access
- Lakewalk/trails
- Parks/plazas
- Tourist amenities
- Historic sites

- Using visual icons and symbols

Wayfinding Signage

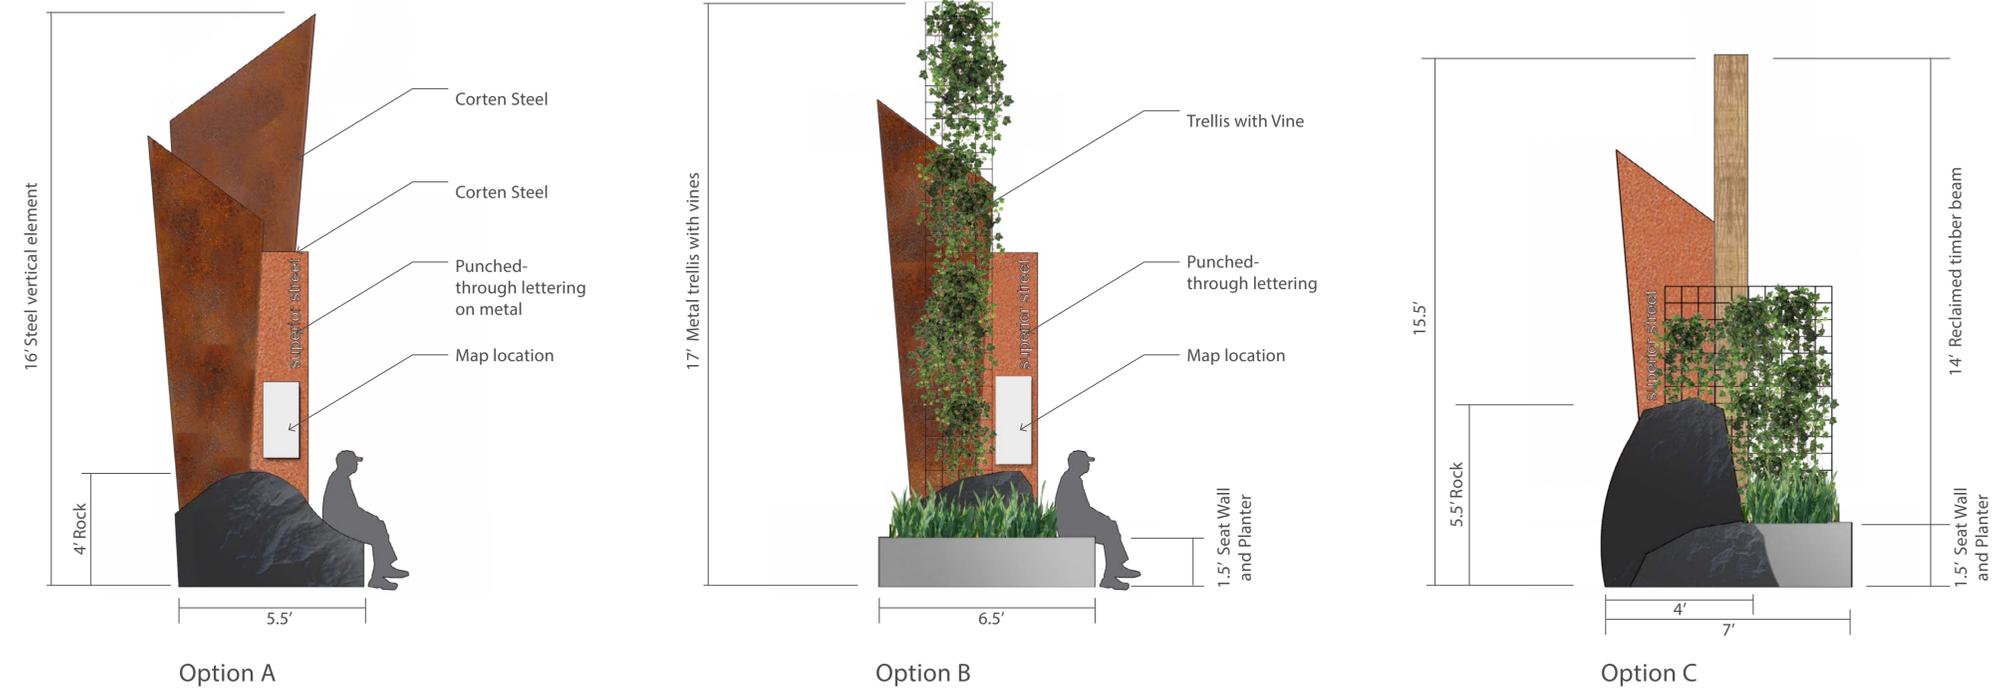

- Using visual icons and symbols

- Using color coded bands and symbols

GATEWAY/VERTICAL ELEMENTS

- Gateway structures indicate Lakewalk entrances
- Constructed of various combinations of indigenous stone, metal, timber and landscaping
- Can also provide location for wayfinding/map signage
- Can be combined with a trellis and planters to incorporate landscaping into streetscape

GATEWAY LOCATIONS
